

# Egypt

Second Issue.

1867 ~ 1869.

10 Para.

Extra 'Heh'

In the lower panel, to the left of the 1<sup>st</sup> word ~ reading from the right ~ an extra letter 'heh' was added, because it was thought to have been missed. The letter was already there, in another shape, but the mistake was soon discovered and removed by acid. Only type 2 is affected and the four stages of removal can be identified before disappearance.

1<sup>st</sup> stage

2<sup>nd</sup> stage

3<sup>rd</sup> stage

4<sup>th</sup> stage

Traces of extra 'heh'

Traces of removal still visible
