

Lincoln Road, Peterborough
England. Sep. 15th 1897.

Dear Sir, I am a private stamps
collector, and from the newspaper
account of your jubilee issue
think it a very pretty and in-
teresting set.

I therefore take the liberty
of asking if you will send me
four unused complete sets upon
receipt of Money Order for 36/6
which I think will cover their
cost and postage. Please let me
know on annexed card if you
will oblige me; and how I must
fill in the order.

Yours truly
Henry C. Lilley.
