GEOFFREY FLACK TIBETAN STAMPS AND POSTAL HISTORY OPINION

Date: March 14, 2006

Number: 1029

In my opinion the Tibetan stamp illustrated on the right is a genuine 8 Trangka Rose-Carmine (Scott #8) (Cliché 6 with frame line at the bottom & on the right.) A very unusual printing - probably Waterfall's #95 though it doesn't appear to be shiny. Cancelled with seven wavy line Violet Telegraph Cancel. The wireless telegraph had a very limited use in 1950 and this stamp is much scarcer telegraphically used than either mint or with postal cancels.
