Dear Dad et al,  
 We're departing so far.  
 Rutgers has practically taken  
 over the ship. Rutgers men  
 on the dance in the dance band;  
 Rutgers songs on the loud-speaker;  
 Rutgers promenade on the deck.  
 But we hope we are still liked  
 by the others on board. We have  
 had some rough weather since we  
 left the Azores, but a surprising  
 number still turn up for lunch.  
 Greetings to all! Jim Stet.

Well hello there guys, I hope this finds you all well. I'm thinking of you all. Madrid has treated me well. The night I arrived I was whisked off to the Bernabeu stadium to watch Real Madrid. Beckham and Owen both scored for me and they won five-2-1. I was at a spanish school for five days which was a treat, I've definitely improved and have been speaking spanish almost all the time. I went indoor snowboarding too, alas no powder but a fun way to spend an evening. and off to Seville later on. I'm being looked after very well, it's so good to see my buddy Alberto, I hope he and his girlfriend will visit us in Mastatal, ok guys, big hugs, all my love
