Resume:

Over the years I served as CEO and Owner of The Art Magazine 'Mechira Pumbit', and as The Editor of the 'Israeli Art Price List'.

I'm an expert of art and antiquities for 35 years, serving as an expert witness in Israeli courts of law, works exclusively in evaluating art, paper works and antiquities, determining the value of inheritances and giving professional opinions on these subjects.

Among my clients: International Relocation Companies, Public Companies, Auction Houses, Galleries, Private Collectors and Law Firms.

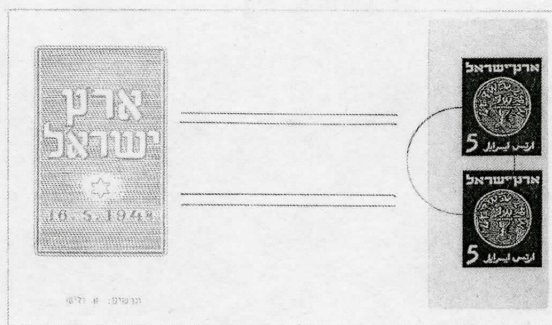

Certificate:

Subject: Artist's collage of Doar "Eretz Israel 16.5.1948" blue print postcard with 2 black stamps like "Eretz Israel" denomination 5 (mills), with partial sketch of postmark, a rubber stamp "Dugma" (Example) and a blue water color point, attributed to: Otte WALLISH.

Collage on off-white card with grey backing. Size: 153x90 mm

Opinion: Paper, sketch and print are suitable for the period (60-70 years).

My opinion is not including approval of the artist's signature and the value of the sketch.
