Gerade kam ich hier mit dem Steamer Albany an & werde nun per Bahn nach New York zurückkehren. Ich könnte es auch per Schiff tun, aber vielleicht erwartet mich Herr E. Vallier aus N.Y. mit seiner jungen Frau & so muss ich vielleicht halber früher in N.Y. zurück sein. Die Fahrt war recht angenehm. Der Fluss ist sehr breit & der Ufer hügelig & nett bewaldet. (Herrl. Any man who is "worthy of his hire," is entitled to a good mattress and a good bed to sleep in. Every woman is.

It was a good old Quaker who said :

"If there is any good thing I can do for
I OVER do it now, for I shall not
pass this way again."

This card goes to you trusting that
you may want some cow or horse hide,
calf or other skins made into coat,
robe, rugs or other goods.

This is just the right time of year
to begin looking around for a nice cow
or horse hide. Never mind the color,
so long as it is large and well haired.

Our perfected black dye brushed
into the hair produces the most beauti-
ful effect imaginable, leaving the hide
fiber strong, tough and soft.

Prove it, you say? Good. Let us. Just
tell us to send you sample of brush dyed hide,
together with our revised catalog containing new
illustrations. We sure can help each other to
our mutual advantage.
