Antonio di Demetrio
Trieste.

1865

We just been
 thinking of you and
 I'm sending you
 a card

With every line and letter I know you're more than busy
 Conveying best regards. And I'm not asking much

But now and then—a post-card
 Would help us keep in touch.
 And friendship is so dear a thing
 I fair would make it thrive
 When anything so very small
 Will help it keep alive.
