

GEOFFREY FLACK TIBETAN STAMPS AND POSTAL HISTORY OPINION

Date: October 30, 2007

Number: 1824

In my opinion the Tibetan cover illustrated on the right is a genuine Internal cover Gyantse to Lhasa via Pelti. F. w. 1/6tr Green (early printing) tied by GYANTSE Type I (Hel. T3) cancel with scarce PELTI Type I (Hel. T6) transit alongside. The cover bears a circular Trader's Mark of the Tuladhar trading family of Nepal. Attractive – Fine/VF Condition

Geoffrey Flack
