

# GEOFFREY FLACK TIBETAN STAMPS AND POSTAL HISTORY OPINION

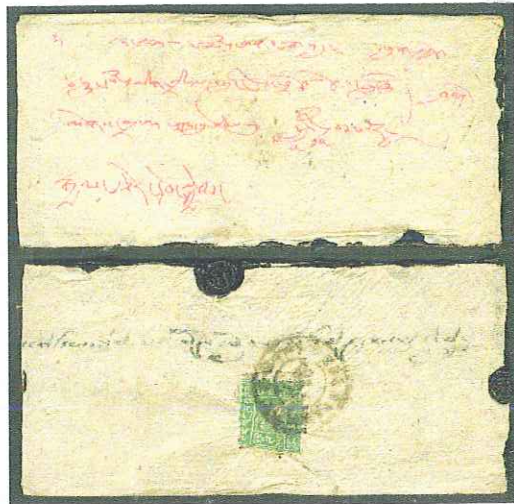

Date: October 11, 2009

Number: 2609

In my opinion the Tibetan cover illustrated on the right is a genuine Registered commercial (hand-made) cover from Gyantse to Lhasa. F.w. 4tr Pastel Green (badly damaged) tied by GY-ANTSE Type VIII (Hel. T41) cancel. Interesting "Magenta" handwriting." Dated "May 15" no year as usual, but circa early 1950s.. "Tibetan" Wax Seals. The stamp is faulty, but otherwise the cover is in Fine Condition.
