aan het verblijf van jullie dochter en echtgenoot  
in Bandung is een van de mooiste momenten  
ken die we van onze verre vrienden  
hebben mogen ontvangen. Wij kunnen nu  
niet meer voorstellen, dat er in ons huis  
geen gekochte is. Het geluid is ons zeer  
vertrouwelijke geworden, naast de kwade  
jonglop van de staande klok van onze  
ouders. Wanneer zullen we jullie nog een  
perij reis in Indonesië, naar B.K., en  
H. Harmen in het begin van dit jaar.  
Nagzaam dank voor jullie aandacht
