XTH OLYMPIADE COMMITTEE

OF THE GAMES OF LOS ANGELES, U. S. A. 1932, LTD.

1933

FOREWORD

THE ORGANIZING COMMITTEE of the Games of the Xth Olympiad fulfils its final obligation by presenting this Official Report of its organization of the Games. To allow an event of such permanent interest to remain only in the memories of participants and observers would be to impair the achievement; and it is therefore wise that the preparation and circulation of a permanent record are prescribed as part of the work of the Committee in connection with the Games.

The Committee takes pleasure in the performance of this duty, and in presenting the result to the International Olympic Committee, the National Olympic Committees, the International Sports Federations, and to the State of California, whose people bonded themselves for the support of the Games. To all these the Committee expresses its gratitude for helpful co-operation.

In order that the combined magnitude and beauty of the Games of 1932 may be faithfully represented, it is necessary that the Report be comprehensive and pictorial; and in order that the experience gained in the organization of these Games may be of value hereafter, it is necessary that the Report be particular. It has been the purpose of the Committee to omit nothing which is pertinent and to add nothing which is superfluous. It ventures the hope that the Report may be found to approach as nearly as possible the ideal thus proposed.
