Sergio Sismondo

Philatelic Expert

Syracuse, New York & Ottawa, Canada

Syracuse, New York, 2021.01.30. No. 46,971.

BARBADOS, 1907.

I have examined the postage stamp issued by the Colonial Administration of Barbados in 1907, "Nelson Monument" 2½ pence black and bright blue, perforated 14, on medium white wove paper with watermark "Multiple Crown and Block CA", Scott Catalogue #112; Stanley Gibbons Catalogue #162, used, with indistinct circular datestamp cancellation, a colour reproduction of which is below, magnified to 125% of true size, and am of the opinion that:

The stamp submitted is **genuine in all respects**, postally used, and is entirely free from faults or repairs at the time of examination.
