Jamaica Laureated Head

11. Jamaica Head. Second State

12. Jamaica Head. Third State

The die for Queen Victoria's portrait was based on Joubert's engraving for the GB 1855 4d stamp. Joubert exhibited the Jamaican version at the Paris Exhibition of 1865. The first state was used for the 1d, 2d, 4d, 6d and 1s values. the second was first used for the 3d in 1863. The third state was first used for the 1872 ½d, and later for the 1875 2s and 5s (Easton & Montessoro, 1964, London Philatelist, from where the illustration above is copied at 50% original size).

Laureated heads of New South Wales and Victoria. The New South Wales portrait was first used in 1851, and was engraved by John Carmichael. The design shown was for a 6d Registration stamp. The month Darling arrived as Governor.

Washing the Baby Published by Sollas and Cocking Kingston
Posted to Blackrock Dublin in 1909. 1d Arms new design

Images on postcards captivate and excite. The first four sheets display black & white postcards that show people in relation to stereotypical places and activities, such as washing clothes in a river. Are these documentary records, or staged scenes designed to appeal to stereotypes?

The remaining sheets show coloured pictures that more obviously reveal the careful selection and art of the designer.

A superb pictorial postcard

Following the acquisition of the Atlas Line, Hapag began to build a series of fruit carriers in 1902 which were to have names beginning with 'Prinz'

The seven vessels were named 'Prinz Eitel Friedrich' 'Prinz Waldemar' 'Prinz Sigismund' 'Prinz Adalbert' 'Prinz August Wilhelm' 'Prinz Joachim' 'Prinz Oskar'

A superb pictorial postcard of the Prinzessin Victoria Luise 1906. The card first written on 13.12.06 and then added to on 26.12.06 with the following message:—"NOW THIS NICE SHIP IS STRANDED. THE CAPTAIN HAS SHOT HIMSELF. I AM TAKING 110 OF THE CREW BACK TO HAMBURG. I AM NOT TO BLAME BECAUSE I WAS NOT ON THE BRIDGE. DUE IN HAMBURG 10.107." VICTOR KLAHR.

The vessel was a cruise ship of 4419 gross tons - built in 1900. It went ashore near Plum Point, Jamaica on 17.12.1906 and was totally lost. (A supporting document from Lloyds of London dated 22.11.1963 accompanies this).

The card has a vertical pair of 1906 1/2d. adhesives affixed horizontally and cancelled by the blue cds of ATLAS-HAMBURG-AMERICAN LINE. This cancel perhaps of the ship bringing the crew home - or it may be the salvaged one as this card had been in the ship's mail before the wreck.

A fascinating item of considerable rarity.
