Some facts about Wedgwood

A first edition copy of the Portland Vase made in the late eighteenth century realised £20,000 at Sotheby's on 30th November 1971 – a world record auction price for an English ceramic.

Josiah Wedgwood paid the third Duke of Portland £100, a handsome hiring fee in those days, for the loan of the Barberini (or Portland) vase in order to model his famous Jasper reproductions.

Josiah Wedgwood equipped dairies with his ceramic products – from the tiling for the walls to settling pans for the cream.

In 1784 Wedgwood made a Jasper chess set. Flaxman the artist used as his model for the Queen.

It is recorded that Cat Bauds paid just over £2,700 for her 9 and dessert service.

11mm Bauds paid just over £2,700 for her 9 and dessert service.
