My dear Gho-tyeh-myl-hoi!
Pity, I was not in on Wednesday -
day night so that we did not meet.
But I am working again till
midnight nearly every morning
and no wonder that we see
nothing of each other. I shall call
on you on Sunday morning, while
you are yet in bed, i.e. about 10
o'clock in the morning before going to
church. I think it is the only kind we
can meet in this god forsaken city and
under present super-pattern system -
deeds in the hell.
