The above pictured cover, both sides,  
 with AUNUS 1919, Facit nos. 1 - 5 in pairs surcharged  
 and tied to cover by proper purple RAJAKONTTU cancel, is in  
 my opinion GENUINE in all respects, stamps and cancels and  
 genuine use. Suolatti arrival cancel on back. No faults.

1. Smith are purple and a dirty strike. The Cert is a clean strike, and seems bluer, but since taken off web, color is dubious.
2. As to the 'short' or cut 'k'. In all cases, extend to and slightly above the dot of the 'j'
3. Wait for the forgeries book.
