Forgive my defaulting in this way in the make of letters. We are on our travels again & it is so difficult. But I'm sure you understand. I'm writing this at the P. Office! We left Simoga on Monday spent a night at a Rest House in the Ghelun valley - then on next day via Munnar (the Jernay hill station, a night at Rawal Pindi, one at Lahore & then we are about 315 miles yesterday evening at 9 p.m. Some idea that!

We go to Agra in a hour's time, & they we have to find out about the river. I'm afraid we shall have trouble again.
