SUPPLEMENT NOTES

LIECHTENSTEIN

SUPPLEMENT NUMBER 54 • ITEM NUMBER 367S003
FOR STAMPS ISSUED THROUGH 2003

This supplement contains a total of 3 pages.

All stamps issued through 2003, as listed in the Scott Catalogue, are included.

Scott follows several general principles in developing its supplements. Our goal is to make products convenient to use while giving you the most value for your dollar. To that end, we have developed our albums and supplements to fit the needs of the majority of our customers.

Our supplements are designed to minimize the necessity of remounting stamps from year to year. Whenever possible, supplements will not contain "temporary" pages that will only be in use for a short time.
