Introduction

Dear Collector and Client,

It gives us great pleasure to present in this catalogue over 700 collection and group lots, including extracts from three of our specialised catalogues in our June 2024 auction series.

This catalogue begins with collections from the Europe & Overseas (June 18th, from 9am CET), France & Colonies (June 19th, from 10am CET), Great Britain & British Empire (June 20th and 22nd, from 10.30am CET each day) and Indian States (June 21st from 2pm CET) catalogues, and continues with our All World and single country collections and estates from around the world, which will be held on June 21st at 10am.

Lots 60000 to 60105 are all from a single vendor collection of all world that has been broken down into single countries or regional groups. This is followed by 80+ mixed collection lots ranging from small groups to several large boxes. Then the single country, regional and thematic collections are ordered alphabetically, and include impressive collections such as the John Davies collection of British Forces in Egypt, an FIP Large Gold medal exhibit collection of the Argentina Liberty Heads, outstanding collections of Colombia, Paraguay and Turkey, as well as a vast accumulation of Persia in 90 albums.

Our offerings of collections and estates twice a year are great opportunities for collectors looking for a new area to collect, or for dealers looking to add fresh material to their stock. And to encourage people come to view our diverse offerings, **we are inviting any client who comes to Geneva to stay in the nearby Hilton hotel and your first night will be on us!**

We'd like to thank our vendors for showing their faith in us to present their items and collections in the best way possible to maximise the potential of their lifetimes' work through our experience in lotting, describing and estimating to produce a catalogue worthy of displaying their philatelic treasures in their best possible light.

1840-1934 the magnificent mint collection neatly presented on pages in album, commencing with 4 margin examples of the 1840 1d black and 2d blue, each without gum and of very fine appearance. A fine upper marginal 1841 1d red and 4 margin 2d blue follow, each with RPS cert, then the 1847 embossed issues, the 6d purple a particularly fine 4 margin example with Diana Cert, the 1/-, 3 margin, with Brandon Cert. A group of perforated line engraved includes the scarce and elusive 2d blues SG 23 and 27, also (without gum) SG 20 and 35, with a lovely example of the 1d red plate 225 (RPS Cert).

The quest for top quality is particularly evident with the superb array of surface printed issues which follows, replete with lovely, fresh examples. From the 1855 series, we note 4d SG 66, 6d lilac SG 69 and a pristine 1/- pale green SG 73, corner marginal example with inscription and RPS Cert. The 1862 issue features 3d pale rose SG 77, 4d bright red and pale red SG 79 and 82 6d deep lilac SG 83 and 1/- deep green SG 89 with, from the 1865 series, 3d rose SG 92 (RPS Cert), the scarce 9d straw SG 98 (RPS Cert) and 1/- green pl 4. The 1867 Spray of Rose issues include 3d rose pl 6, 6d dull violet, 9d straw SG 111, 1/- green pl 7 and a lovely, fresh example of the scarce 2/- brown (without gum).

Of particular significance are the numerous high values which greatly enhance this lovely collection. These commence with the 1867 Maltese Cross issues and a fine, fresh example of the 5/- rose pl 2. This is followed by superb examples of both the 10/- greenish grey and £1 brown-lilac, each with BPA Certs, major rarities, missing from most collections and without doubt amongst the finest examples not currently in private hands. With the Anchor watermark, we find a fine example of the 5/- rose pl 4, with RPS Cert, another significant rarity and the 10/- grey-green with RPS Cert which, although toned, is one of the rarest of all the high values (Cat £110,000). A beautiful £5 orange is followed thereafter by 1872 6d pale buff (Brandon Cert) and 6d grey SG 125 lower marginal with inscription (RPS Cert), followed by a strong showing of the 1873 issues. In particular we note 1/- green pl 13 lower marginal NH, the scarce 1/- orange-brown SG 151, 4d vermilion pl 15, 4d sage-green pl 15 NH, 4d grey-brown pl 17 and the most elusive and seldom offered unissued 8d brown-purple SG 156a (regummed), with a superb 'lilac and green' set. High Values with 1883 2/6d lilac on blued paper, marginal, with BPA Cert and another significant rarity, 1884 Crowns £1 brown-lilac with Brandon Cert. Of still greater scarcity is the 1888 Orbs £1, with RPS Cert, which, despite having a light crease, is a most attractive example with few examples recorded. Yet another important rarity! The surface printed finishing with the 1883-84 Lilac & Greens and the 1887-1901 Jubilees incl. 5d die I and 1891 £1 green SG 212.

Finally, Edward VII issues to £1 and George V featuring a fine £1 Seahorse and 1929 PUC £1. This presents a wonderful opportunity to acquire a truly stunning collection, without doubt one of the finest mint Great Britain collections it has been our privilege to handle.

Evolving Bishop Marks in Scotland's Postal History

Purpose
This is an exhibit about the evolution of the Scottish Bishop marks from an early oval primitive design to progressively larger markings. All types are shown.
This exhibit will also show changes in how and why the datestamps were used from 1693 to 1806.

The Bishop Mark
The first Scottish datestamp was modeled after those used in England. Postal historians call this datestamp the Bishop mark for Henry Bishop, England's Postmaster General. He introduced the mark.

The Reason for the Datestamp
To provide accountability, the datestamp would show that the post office was not delaying mail.

Restricted Use of the Mark
The oval Bishop marks of Scotland were only used on letters to London. Only the Edinburgh post office used the mark. At the time, Scotland's population was only 10% of England's. Widespread poverty and illiteracy limited use of mails in the 1700s.

Exhibit Plan

I. The Oval Bishop Mark	1-4
II. Small Circular Mark	5-7
III. Large Circular Mark	8-12
IV. Large Unbroken Circle	13-14
V. Replacement Marks	15
VI. Epilogue	16

Background: Early Mail Routes
Initially it took six or seven days by horse post for a letter to travel the 300 miles from Edinburgh to London.

A Hundred Years of Use
Business was conducted through the mail, and interest and importance of the datestamp on mail grew. In 1758, the Bishop mark came to be used on mail sent throughout Scotland. Bishop marks were used in England, Scotland, Ireland and British colonies for over 100 years.

Large Lots and Collections

Friday June 21, starting at 10:00 CET

CURRENCY: SWISS FRANCS (CHF)

The following lots, from 60000 to 60105, are from an 1840-1936 mint collection for foreign countries in two printed New Ideal albums, broken down into 106 individual collections.

This magnificent collection, comprising tens of thousands of stamps, is the product of over 60 years of diligent and discerning collecting and is one of the finest assemblies of foreign countries we have been chosen to offer. We note a great deal of completion throughout with the majority fine to very fine. The stamps are hinged on the pages with, in some cases, additional examples added, plus some blocks, pairs and minor varieties to add further scope. As is to be expected with an assembly of this magnitude, there are some minor defects, reprints and some possible forgeries. We offer the collection as the following 106 lots, offered intact with no stamps removed, broken down into one country collections, or grouped together by region as appropriate.

As the lots are mostly on double sides pages, please take care when viewing.

25'000 - 35'000

Argentina: 1899-1908 "Liberty Seated" Issue. An outstanding collection mounted on nearly 200 written-up exhibition pages and a few stock pages, comprising the selected eight frames for philatelic shows. This very rare and exceptional assembly includes die and plate proofs produced on card (also displaying composite examples), as well as on medium and very thin India paper, large plate-proof multiples on thick paper, colour trials, specimens with "Muestra" overprints; an impressive array of perforation varieties (some examples being unique) including most of the existing ones (a table is presented on the introductory page with the large number of values with these varieties, for both compound and vertically/horizontally missing perforations included in the collection), and not excluding in this display the eye-catching misplaced perforations; the extensive assortment of varieties -additionally include paper folds, shades, imperforate, partial double impressions- is also featured in spectacular large blocks and part sheets, as well as on covers. Other features are first day-of-issue usages, the four high denominations in mint blocks of four (certs Solari), complete sheets of 10p & 20p perf. "Inutilizado", large used multiples, better cancellations from small localities, etc. The postal history display include a wide range of features: registered and insured mail, high frankings including the high denominations, official picture postcards, mixed frankings with different issues, uprated stationery, the largest known frankings of 1/2c and 1c perf. 12, combinations with foreign postage dues, better cancellations, rare example with "Correspondencia Muerta" hs, 3c on exceedingly scarce US Diplomatic Mail cover, four "abono a casilla simple" documents with two bearing single 10p (one with R. Kneitschel cert.) and the other two with single 20p (also one with R. Kneitschel cert.), better destinations such as Cochin China, Straits Settlements, Lorenzo Marques, Japan (printed matter). Over 30 covers are also included in addition to those mounted on exhibition pages. Viewing highly recommended

Many highlights are to be mentioned, but we have chosen the following: 3c block of four imperforate horizontally, the 3c & 4c featuring rare vertically and horizontally imperforate examples, the only known booklet of the 5c, 10c unique imperforate pair on cover, 15c unique horizontally imperforate vertical pair on cover, 16c pair on cover, the hour high denominations with inverted centre, the unique marginal 5p pair imperforate at base; as well as a one of the great rarities of the semi-modern Argentine philately: the spectacular insured cover bearing six 1p, two 5p and one 10p, this being the highest franking recorded on a non-philatelically inspired cover, representing the only cover known with the three highest denominations (in addition, this is one of only two items exhibiting the 5p, and being unique with the largest number of 1p -six- on cover).

This lot is an excellent opportunity to acquire a magnificent collection which already achieved a prestigious FIP Gold Medal status.

Colombia: 1859-1866, Spectacular collection of the classic issue, in three stockbooks, with few thousand stamps in unused and used condition, with large duplication for the greatest part of the values, showing a wide range of shades, plate flaws, postmarks (rare examples are included throughout) and multiples. Quite a number of scarce and underpriced stamps are included also in mint condition, like the numerous examples of 1859 1p rose on bluish (only about ten known according to the auction catalogue of the "Esmeralda" collection), a number of the scarce 1860 5c on laid paper (Scott 9), unused and used, several mint examples of the 1860 20c blue; the 1861 issue of the United States of New Granada is very well represented in unused or used with impressive displays in quantities of all denominations, this being a unique assembly for this issue an extremely difficult to obtain. The rare 1862 issue with several examples of the 20c red or the 1p red on bluish (Scott 23), later bisects, and a large a number of the famous 1866 5p and 10p high values. A stunning lot of classic Colombia, the largest we have recall to have ever offered, also being very useful for plating purposes. The condition is like usual from slightly mixed to very fine. A unique lot of these fascinating and exotic issues, making up a great stock for a dealer or a marvellous assembly for a collector to develop studies. Viewing highly recommended.

	Persia: 1909, THE LAR FIND (Issue of a revolutionary group during the uprisings in Lar)		
	The story: During our recent description time in preparation of the June sale we got whilst working on an all world consignment of covers & stamps to a box (which at first glance) looked like mostly rubbish, odds and ends of all world, cheap to medium cheap stamp sets or covers. One was intended to leave this as an all world mix BUT suddenly there were a few envelopes found, which had the inscription of Administration des Postes and the Persian lion, on checking the 2 smaller envelopes, there were in each envelope a lettersheet of July, 1909 addressed to the "Directeur General des Postes à Teheran" from the Province director of the "Direction General du Sud", writing about the recent uprising and that he was successfully trying to get the stamps of this revolutionary group, which he enclosed. By further opening of these lettersheets there was a glassine found with 3 used examples, and in the other envelope in a small paper pochette 4 unused examples of the smaller size values		
	Conclusion: without doubt these letters together with their writing and contents are of postal historic extra value, bringing some more light into this 'mysterious' issue insofar as we know now that the Persian Postal Administration did know about the issue of these Lar adhesives already in 1909		
	Philatelic contents of the lot: 3 used and 4 unused LAR adhesives in violet, a bunch of the 1906 Tabriz emergency issue 3CH green/black used (around a 50 to 70 adhesives still unwashed with remainder of the forms they were originally used on), mostly with Taurus postmark, also a nearly complete set in numbered sheets MNH / * (6Ch value missing), 1 pair of the perforated 1ch and finally a semi-modern FDC.

2.3 Double bids are notified immediately, and the bidding process is restarted; if no higher bid is made, the auction is decided by a draw; for equivalent bids from bidders present and absent, priority is given to the written bidder or to the bidder personally present in the case of a telephone bid.

2.4 The hammer price may, exceptionally, be reduced to the lowest winning bid if it is established that the same bidder has inadvertently increased the price by using more than one bidding method.

2.5 Telephone bids are only accepted if the bidders have registered in advance to bid in this way and are known to DAVID FELDMAN S.A. who has been able to check their solvency. Buyers are charged an administrative fee.

2.6 Only buyers registered with DAVID FELDMAN S.A. who have obtained a bidder number may participate in the auction. Upon request, they must provide proof of identity, address, and bank account details. Upon request, DAVID FELDMAN S.A. reserves the right to limit the maximum bidding amount to certain buyers depending on their financial capacity. For certain buyers, DAVID FELDMAN S.A. may even require the prior deposit of a financial guarantee by credit card or bank transfer.

2.7 Written bids received by DAVID FELDMAN S.A. or on the website prior to the sale take precedence in all cases over bids made in the auction room. They are firm and final. Bidders giving a written bidding order may make alternative bids and/or limit the total amount of their bids. Bids given "to buy" may not exceed more than 10 times the value of the high estimate printed in the catalogue.

2.8 For auctions without an auctioneer, online bids are received by DAVID FELDMAN S.A. on its website. At the end of the auction, at the precise time and minute, the lot is awarded to the highest bidder, at one step above the next highest bid. If the last bidder has bid in the last fifteen seconds of the sale, the auction for this lot is extended by fifteen seconds from the time the last bid was received.

2.9 All written bids are considered binding for 60 days after the auction date. DAVID FELDMAN S.A. is therefore entitled to invoice the bidder for the goods until the expiry of this period. Any invoice received by the bidder is therefore valid and must be paid immediately.

2.10 DAVID FELDMAN S.A. has the right to refuse bids, to separate, join or withdraw any lot at its sole discretion. The sale will be conducted in English or French, but bids may be repeated in any other language. DAVID FELDMAN S.A. is also authorised to bid on behalf of sellers where reserve prices have been set. If the seller sets reserve prices for some of his/her lots, s/he will be deemed to be the buyer and DAVID FELDMAN S.A. will bid on his/her behalf up to the reserve prices set. If the price set by the seller is not reached, the next lot will be auctioned.

3 The auction sale

3.1 Auction Representatives and Agents: The bidder assumes personal responsibility for his/her bid and cannot claim that the purchase was made in the name or on behalf of a third party. The representative is jointly liable for the person s/he represents for compliance with the obligations.

This responsibility extends particularly to checking the quality of the lots purchased and to the subsequent payment of the invoice for the lots purchased.

Bidders who are personally present as representatives of third parties must communicate this unequivocally to the auction management at the latest at the time of the auction.

3.2 Winning bids: Each lot is awarded to the highest bidder on behalf of its respective seller. In addition to the hammer price, **the buyer is charged a 23% buyer's commission, plus VAT where applicable.**

VAT of 8.1% is payable by the buyer on the hammer price. For lots marked with a circle next to the lot number, VAT of 8.1% is payable on the buyer's commission only.

3.3 VAT paid may be refunded upon presentation of proof of export. DAVID FELDMAN S.A. will charge an administration fee of CHF 75.00.

Shipping costs will be invoiced separately.

Before the auction, buyers must obtain information on the administrative procedures for the export of lots and their legality. Buyers are solely responsible for any such formalities after the auction. DAVID FELDMAN S.A. can take care of this for a fee.

3.4 When the hammer falls, the profits and risks of the lots thus auctioned pass to the bidder whose bid has been accepted. However, the goods will

not be handed over to the buyer until the purchase price (hammer price plus costs and VAT, if applicable) has been paid in full. Thus, the risks are transferred at the time of the auction. Ownership passes to the buyer once the invoice has been paid in full and possession has been transferred.

3.5 At DAVID FELDMAN S.A.'s request, sales must be officially acknowledged by signature.

3.6 Payment: Successful bidders are obliged to pay the purchase price, plus VAT if applicable, and the commission in cash in the currency of the auction, against surrender of the goods purchased, within a maximum of 5 days of the auction.

Fees charged to DAVID FELDMAN S.A. for credit card payments will be invoiced to the buyer. These vary from 1.5% to 5% depending on the credit card company.

Cash payments are only accepted up to CHF 100'000.

3.7 Payment arrangements: Upon prior request at least 10 days before the sale, DAVID FELDMAN S.A. may, at its own discretion, grant payment arrangements to buyers. The buyer benefiting from such arrangements will pay a minimum amount of 25% of the total invoice within a maximum of 5 days from the date of the sale and will then pay the balance in equal monthly instalments over a maximum period of 4 months. Monthly interest plus costs **incurred at the rate of 1%** is charged by and on behalf of DAVID FELDMAN SA from the date of the sale. Interest is debited monthly to the customer's account. In general, **no lot is delivered without full payment of the hammer price, the sales commission and, if applicable, VAT.**

3.8 Late payment: Payment must be made in cash as soon as the lot is sold. Any buyer who has not paid the hammer price and the commission due in full within a maximum of 5 days of the sale is already in default of payment. In the event of default by the buyer, DAVID FELDMAN S.A. reserves the right (1) to cancel the sale and dispose of the lot(s) concerned and to take legal action against the buyer in order to obtain payment of an indemnity of 23% of the hammer price and full payment of the commission due plus interest of at least 1% per month or (2) to enforce the seller's lien in accordance with the above provisions. In addition, expenses incurred by DAVID FELDMAN S.A. in the performance of its obligations hereunder shall be levied in addition on all sums due from the buyer. In addition, the defaulting debtor loses all rights of complaint.

3.9 Right of lien: Until full payment of the amounts due, the buyer grants DAVID FELDMAN S.A., acting on behalf of the Seller, a right of lien on all lots sold but not delivered. This lien guarantees the payment of any amount due past and present, such as the hammer price, the purchase commission, possible VAT, interest, and possible costs. After notice from the buyer, DAVID FELDMAN S.A. is authorised, but not obliged, to realise the pledges without further formalities and without notice if the buyer is in default for the payment of his/her debt or the fulfilment of any obligation. DAVID FELDMAN S.A. may in all cases realise the liens by mutual agreement.

To this end, DAVID FELDMAN S.A. is not obliged to comply with the procedures specified in the Federal Debt Collection and Bankruptcy Act; DAVID FELDMAN S.A. is also free to initiate or continue ordinary debt collection proceedings without first realising the liens and without thereby waiving them.

If the realisation of the lien does not cover the amounts owed by the Buyer, DAVID FELDMAN S.A. is entitled to sue the Buyer for the difference.

3.10 Appraisal or counter-appraisal in the context of the sale of philatelic items only: DAVID FELDMAN S.A. may attach an appraisal to the description of philatelic items, the report of which forms an integral part of the description of the lots, which may be obtained on request. When the authenticity of a lot of philatelic objects is contested, the buyer must produce a certificate of expertise or counter-expertise from

a qualified expert justifying his/her claim, within 30 days of the date of the auction. If the recognised expert, who assumes all responsibility in the event of error, deems that the item has been falsified, s/he may mark it accordingly; the signs "FAKE" or "FORGED" do not then constitute an alteration to the batch of philatelic items.

In the event of such a claim, DAVID FELDMAN S.A. reserves the right to request, at its discretion, one or more subsequent expert appraisals, the costs of which will be borne by the seller if the buyer's claim is well-founded. If the buyer's claim is unfounded, the buyer will bear all the costs incurred. If the claim is well-founded, the lot of philatelic objects will be taken back, and the auction price and commission will be reimbursed in full to the buyer. In the event of delayed payment due to an appraisal approved by David Feldman S.A., interest is payable at 50% of the usual rate for any lot of philatelic objects whose authenticity is confirmed. If David Feldman S.A. does not agree, all interest will be due.

Buyers may request an extension for certification at the time of the adjudication only. For lots with a hammer price of 5'000 or more in the currency of the auction, DFSA will charge a flat handling fee of CHF 100 per item, plus the cost of the certificate. For all other lots DFSA will charge a flat handling fee of CHF 200 per item, plus the cost of the certificate.

3.11 Limits of the guarantee: Batch items described as collections, selections, or groups, those consisting of duplicates and accumulations, cannot be the subject of any claim whatsoever. Claims concerning lots of items described as sets or groups of sets containing more than one stamp will only be considered within the limits of the above article if they relate to more than one third of the total acquisition value of the lot. Lots of items which have been examined by the purchaser or his/her agent, as well as lots of philatelic items which are described as having defects, may not be the subject of any claim in respect thereof. No claim may be made in respect of perforation, centring, margins, or any other feature visible in the illustration of any illustrated batch of items.

3.12 All lots awarded must be removed after the auction by the purchasers within 5 days, at the purchasers' cost and expense. No lot may be picked up during the auction. Lots not picked up will be stored at the buyers' expense for a maximum of 6 months. After this period, the lots will become the property of DAVID FELDMAN S.A., without eliminating the buyers' financial obligations hereunder.

Upon request, DAVID FELDMAN S.A. directly or through a third party, can arrange transport or delivery against payment of this service in advance. Under no circumstances will DAVID FELDMAN S.A. or the third party be liable for any damage to or loss of the items during transport or delivery.

4 Applicable law and jurisdiction

The present auction and all legal relationships arising from it shall be subject exclusively to Swiss law. Any legal action or proceedings relating to the auction and the legal relationships arising therefrom shall be subject to the exclusive jurisdiction of the courts of Geneva, subject to appeal to the Swiss Federal Court in Lausanne. In any case, DAVID FELDMAN S.A. reserves the right to sue any defaulting buyer at his/her place of residence, in which case Swiss Law remains applicable.

5 Miscellaneous

These General Terms and Conditions of Sale apply to all purchases and sales transactions with David Feldman SA with participating bidders, even outside of auctions.

These Terms and Conditions of Sale have been drawn up in French and are accompanied by an English translation. In the event of any discrepancy between the English and French versions, the French text shall prevail.

La simple participation, l'enregistrement ou l'obtention d'un numéro pour enchérir dans l'une des ventes aux enchères de David Feldman S.A. implique une adhésion totale aux conditions décrites ci-dessous ainsi qu'aux droits et obligations qui en découlent. Ces mêmes conditions sont applicables à toute transaction en relation à des lots faisant partie de la vente aux enchères ou conclue en dehors de celle-ci. DAVID FELDMAN S.A., organisatrice de la présente vente aux enchères, agit exclusivement comme mandataire et n'assume donc aucune responsabilité quelconque en cas de manquement(s) des acheteurs et/ou vendeurs. **La vente aux enchères est faite au nom et pour le compte de tiers vendeurs qui sont directement responsable à l'exclusion de DAVID FELDMAN S.A.**

1.2 Il n'a aucune responsabilité quand à l'état des lots d'une valeur inférieure à CHF 1'500.00. Le catalogue peut mentionner des dégâts sur les lots vendus, mais n'établit pas de liste exhaustive. Les enchérisseurs peuvent consulter le rapport sur l'état du lot, lorsqu'il existe, soit sur internet, soit en faisant la demande. Les lots portant un carré à côté du numéro du lot, sont soumis au contrôle fédéral des métaux précieux (CMP) dont le rapport est disponible sur demande.

1.3 DAVID FELDMAN SA organise une ou plusieurs journées de présentation des lots dans un local sis dans le canton de Genève ou ailleurs, avant la vente, où les acheteurs ou leurs agents peuvent examiner tous les lots aux horaires indiqués dans le catalogue de vente ou sur notre site Internet.

1.4 Les acheteurs, ayant eu la possibilité d'examiner les lots avant la vente, sont censés avoir examiné tous les lots achetés et les accepter dans l'état où ils se trouvent lors de l'adjudication, indépendamment de la description figurant dans le catalogue. Cette description n'est donnée qu'à titre d'opinion, et ne constitue aucune garantie quant à l'authenticité des objets vendus. **Sauf en cas d'accord avec David Feldman SA, aucune réclamation ne sera admise. Les lots sont vendus en l'état.**

2. Les offres d'enchères

2.1 Chaque offre d'enchère doit être supérieure à celle formulée précédemment au minimum selon l'échelle suivante: (la monnaie peut changer selon la vente aux enchères) Sans indication contraire sur le catalogue et sur le site internet, le franc suisse est présumé la monnaie de la vente.

50 - 100:	5	10'000 - 20'000:	1'000
100 - 200:	10	20'000 - 50'000:	2'000
200 - 500:	20	50'000 - 100'000:	5'000
500 - 1,000:	50	100'000 - 200'000:	10'000
1'000 - 2'000:	100	200'000 - 500'000:	20'000
2'000 - 5'000:	200	500'000 - 1'000'000:	50'000
5,000 - 10'000:	500	1'000'000 et plus:	100'000

Les offres se situant entre ces montants seront arrondies à la surenchère supérieur.

2.2 Toute enchère constitue une offre contraignante et irrévocable ; l'enchérisseur reste engagé vis-à-vis de son offre tant que celle-ci n'est pas expressément surenchérie ou déclinée par le commissaire-priseur.

2.3 Les offres doubles sont signalées immédiatement et entraînent une reprise du processus d'enchère ; si aucune surenchère n'est faite, l'adjudication se fait par tirage au sort ; pour les offres équivalentes émanant d'enchérisseurs présents et absents, l'adjudication se fait en priorité au donneur d'ordre écrit ou à l'enchérisseur personnellement présent en cas d'offre téléphonique.

2.4 Le prix marteau pourra, exceptionnellement, être ramené à la mise gagnante la plus basse s'il est établi que le même enchérisseur a augmenté le prix par inadvertance en utilisant plus d'un moyen de miser.

2.5 Les enchères par téléphone ne sont acceptées que pour autant que les acheteurs se sont enregistrés au préalable pour pouvoir miser sous cette forme et sont connus de DAVID FELDMAN S.A. qui a pu vérifier leur solvabilité. Un émoulement administratif est facturé aux acheteurs.

2.6 Seuls les acheteurs enregistrés auprès de DAVID FELDMAN S.A., ayant obtenu un numéro d'enchérisseur pourront participer aux enchères. Sur demande, Ils devront fournir une pièce d'identité, une preuve de domicile et un compte bancaire. Sur demande, DAVID FELDMAN S.A. se réserve le droit de limiter à certains acheteurs le montant maximum possible pour enchérir en fonction de leur capacité financière. Pour certains acheteurs, DAVID FELDMAN S.A. peut même exiger le dépôt préalable d'une garantie financière par carte de crédit ou par virement.

2.7 Les offres d'enchères écrites reçues par DAVID FELDMAN S.A. ou sur le site Internet avant la vente, sont dans tous les cas prioritaires sur les offres d'enchères faites dans la salle de vente. Elles sont fermes et définitives. L'enchérisseur donnant un ordre d'enchères écrit peut faire des offres alternatives et/ou limiter le montant global de ses offres. Les offres d'enchères données « à acheter » ne peuvent pas dépasser plus de 10 fois la valeur de l'estimation haute imprimée dans le catalogue.

2.8 Pour les ventes aux enchères sans commissaire-priseur, les offres d'enchères online sont reçues par DAVID FELDMAN S.A. sur son site internet. Au moment de la fin de l'enchère, à l'heure et à la minute précise, le lot est adjudiqué à l'enchérisseur ayant émis l'offre la plus élevée. Dans le cas où le dernier enchérisseur a enchéri dans les quinze dernières secondes de la vente, la vente aux enchères pour ce lot est prolongée de quinze secondes depuis la réception de la dernière offre.

2.9 Toute offre écrite d'enchères est considérée comme liant son auteur pendant 60 jours après la date de la vente aux enchères. DAVID FELDMAN S.A. est donc en droit de facturer la marchandise à l'enchérisseur jusqu'à l'expiration de ce délai. Toute facture reçue par celui-ci est de ce fait valable et doit être payée immédiatement.

2.10 DAVID FELDMAN S.A. a le droit de refuser des enchères, de séparer, joindre ou retirer n'importe quel lot, cela à son entière discrétion. La vente a lieu en français ou en anglais mais les enchères pourront être répétées dans toute autre langue. DAVID FELDMAN S.A. est également autorisée à enchérir pour le compte de vendeurs lorsque des prix de réserve ont été fixés. Si le vendeur fixe des prix de réserve pour certains de ses lots, il sera alors considéré comme acheteur et DAVID FELDMAN S.A. enchérira pour le compte de celui-ci jusqu'à concurrence des prix de réserve fixés. Lorsque le prix fixé par le vendeur n'est pas atteint, il sera passé à la criée du lot suivant.

3 La vente aux enchères

3.1 Représentants et Agents de Vente aux Enchères: L'enchérisseur assume personnellement la responsabilité de son enchère et ne peut pas faire valoir que l'acquisition a été effectuée au nom ou pour le compte de tiers. Le représentant est solidairement responsable de celui qu'il représente pour le respect des obligations.

Cette responsabilité s'étend notamment à la vérification de la qualité des lots achetés ainsi qu'au règlement ultérieur de la facture des lots acquis.

Les enchérisseurs personnellement présents au titre de représentants de tiers doivent le communiquer sans équivoque à la direction de la vente aux enchères au plus tard au moment de l'adjudication.

3.2 Enchères gagnantes : Chaque lot est adjugé au plus offrant pour le compte de son vendeur respectif. En plus du prix de marteau, **il sera facturé à l'acheteur une commission d'achat de 23 %, et la TVA applicable, le cas échéant.**

Une TVA de 8,1 % est due par l'acheteur sur le prix adjugé. Pour les lots marqués d'un rond à côté du numéro du lot, la TVA de 8,1 % est due par l'acheteur sur la commission d'achat susmentionnée.

3.3 La TVA payée peut être remboursée sur présentation de la preuve d'exportation. DAVID FELDMAN S.A. chargera un montant de CHF 75.00 à titre de frais administratif.

Les frais de port seront facturés en sus, séparément.

Les acheteurs doivent se renseigner avant la vente aux enchères sur les démarches administratives pour l'exportation des lots, ainsi que leur légalité. Ils sont seuls responsables dédités démarches après l'adjudication. DAVID FELDMAN S.A. peut s'en occuper moyennant une compensation financière.

3.4 A la tombée du marteau, les profits et risques des lots ainsi adjugés passent à l'enchérisseur dont l'offre a été acceptée. La marchandise ne sera cependant remise à l'acquéreur qu'au moment du règlement intégral du prix d'achat (prix marteau plus les frais et le cas échéant TVA). Ainsi, les risques sont transférés au moment de l'adjudication. La propriété passe à l'acquéreur une fois l'intégralité de la facture payée et le transfert de possession.

3.5 Sur demande de David Feldman SA, les adjudications doivent être reconnues officiellement par signature.

3.6 Paiement: Les adjudicataires sont tenus de payer comptant dans la monnaie de la vente aux enchères le prix d'achat, éventuellement augmenté de la TVA, ainsi que la commission contre remise de la marchandise acquise, et ce dans les 5 jours maximums dès l'adjudication.

Les frais facturés à DAVID FELDMAN S.A. pour les paiements par carte de crédit seront facturés à l'acheteur. Ils varient de 1,5 % à 5 % en fonction des sociétés de carte de crédits.

Les paiements au comptant ne sont admis que jusqu'à CHF 100'000.00.

3.7 Facilités de paiement: selon demande préalable et ce au moins 10 jours avant la vente, DAVID FELDMAN S.A. peut accorder, selon sa libre appréciation, des facilités de paiement aux acheteurs. L'acheteur au bénéfice de telles facilités paiera un montant minimum de 25% du montant total de la facture dès réception dans les 5 jours maximums dès l'adjudication, puis s'acquittera le du solde encore dû en mensualités égales sur une période de 4 mois maximum. Un intérêt mensuel **au taux de 1%** plus les frais **encourus** sont perçus par et pour DAVID FELDMAN SA, à partir de la date de la vente. L'intérêt est débité chaque mois au compte du client. En Général, **aucun lot n'est livré sans paiement total du montant adjugé, des frais de la commission de vente et le cas échéant de la TVA.**

3.8 Paiement tardif: Le paiement s'effectue dès l'adjudication et au comptant. Ainsi, l'acheteur qui n'a pas versé l'intégralité du prix marteau et de la commission due dans les 5 jours maximum dès l'adjudication est d'ores et déjà en demeure de payer. En cas de demeure de l'acheteur, DAVID FELDMAN S.A. se réserve le droit (1) d'annuler la vente et de disposer du(des) lot(s) concerné(s) et d'agir par toute voie de droit utile contre l'acquéreur afin d'obtenir le paiement d'une indemnité de 23% du prix marteau ainsi que le paiement intégral de la commission due plus un intérêt d'au moins 1% par mois ou (2) d'exécuter le droit de gage du vendeur conformément aux dispositions ci-dessus. De plus, les dépenses encourues par DAVID FELDMAN S.A. en exécution de ses obligations aux fins des présentes seront perçues en sus sur toutes les sommes dues par l'acheteur. Le débiteur défaillant perd en outre tout droit de réclamation.

3.9 Droit de gage: Jusqu'au paiement intégral des montants dû, l'adjudicataire confère à DAVID FELDMAN S.A., agissant pour le compte du Vendeur, un droit de gage sur la totalité des lots vendus mais non livrés. Ce gage garantit le paiement de tout montant dû, tel que prix adjugé, la commission d'achat, éventuellement la TVA, intérêts, les frais éventuels ainsi que les montants déjà dus par le client avant la vente. Après sommation de l'acheteur, DAVID FELDMAN S.A. est autorisée, mais non obligée, à réaliser les gages sans autres formalités et sans préavis si l'acquéreur est en demeure pour le paiement de sa dette ou l'exécution d'une obligation quelconque. DAVID FELDMAN S.A. pourra dans tous les cas réaliser les gages de gré à gré.

A cet effet, elle n'est pas tenue d'observer les formalités prévues par la Loi fédérale sur la poursuite pour dette et faillite ; DAVID FELDMAN S.A. est libre en outre d'introduire ou de continuer une poursuite ordinaire, sans avoir préalablement réalisé les gages et sans renoncer pour autant à ceux-ci.

Dans le cas, où la réalisation du gage ne couvre pas les montants dus par l'acheteur, DAVID FELDMAN S.A. est en droit de poursuivre l'acheteur de la différence.

3.10 Expertise ou contre-expertise dans le cadre uniquement de la vente d'objet philatélique: DAVID FELDMAN S.A. peut joindre à la description des lots d'objets philatéliques une expertise, dont le rapport fait partie intégrante du descriptif des lots, qui peut être obtenu sur demande. Lorsque l'authenticité d'un lot d'objets philatéliques est contestée l'acheteur est tenu de produire, sous 30 jours, un certificat d'expertise ou de contre-expertise émanant d'un expert qualifié justifiant sa réclamation. Si l'expert reconnu, assumant toute responsabilité en cas d'erreur, juge que l'objet été falsifié, il peut le marquer

en conséquence ; les signes «FAUX» ou «FALSIFIE» ne constituent pas alors une altération du lot d'objets philatéliques.

En présence d'une telle réclamation DAVID FELDMAN S.A. se réserve le droit de demander selon sa libre appréciation une ou plusieurs expertises subséquentes dont les frais seront mis à charge du vendeur dans l'hypothèse où la réclamation de l'acheteur est fondée. Dans le cas contraire l'acheteur supportera tous les frais encourus. Lorsque la réclamation est fondée, le lot d'objets philatéliques est repris et le prix d'adjudication ainsi que la commission sont intégralement remboursés à l'acheteur. Dans le cas d'un paiement retardé dû à une expertise agréée par David Feldman S.A., des intérêts sont payables à 50% du taux habituel pour tout lot d'objets philatéliques dont l'authenticité est confirmée. Si David Feldman S.A. n'est pas d'accord, tous les intérêts seront dus.

Les acheteurs peuvent demander un certificat d'expertise au moment de l'adjudication uniquement. Pour les lots dont le prix d'adjudication est de 5'000 ou plus dans la devise de l'enchère, David Feldman SA facturera des frais de traitement forfaitaires de 100 CHF par lot, plus le coût du certificat. Pour tous les autres lots, DFSA facturera des frais de traitement forfaitaires de CHF 200 par lot, plus le coût du certificat.

3.11 Limites de la garantie: Les lots d'objets décrits comme collections, sélections ou groupes, ceux formés de doubles et d'accumulations, ne peuvent faire l'objet d'une réclamation quelconque. Les réclamations concernant les lots d'objets décrits comme série ou groupes de séries contenant plus d'un timbre, ne sont prises en considération dans les limites de l'article ci-dessus que si elles portent sur plus d'un tiers de la valeur totale d'acquisition du lot. Les lots d'objets qui ont été examinés par l'acheteur ou son agent, ainsi que les lots d'objets philatéliques qui sont décrits comme ayant des défauts ne peuvent faire l'objet d'aucune réclamation par rapport à ceux-ci. Tout lot illustré d'objets ne peut faire l'objet d'aucune réclamation au sujet de la perforation, du centrage, des marges ou tout autre élément visible dans l'illustration.

3.12 Tous les lots adjugés doivent être retirés après la vente aux enchères par les acheteurs et ce dans les 5 jours, à la charge et au coût des acheteurs. Aucun lot ne peut être retirés pendant le déroulement de la vente aux enchères. Les lots non retirés seront stockés à la charge des acheteurs pendant 6 mois maximums. Passés ce délai, les lots deviendront la propriété de DAVID FELDMAN S.A., sans pour autant éliminer les obligations financières des acheteurs selon les présentes.

Sur demande, DAVID FELDMAN S.A. directement, ou via un tiers, peut s'occuper du transport ou de livraison moyennant le paiement de ce service, à l'avance. Sauf accord préalable, DAVID FELDMAN S.A., ainsi que le tiers, n'en aucun cas responsable de quoi que ce soit en cas de dommage ou perte des lots pendant le transport ou la livraison.
