By all means they are really a picture
 yesterday my attention was with a
 wife crowd of people, his 13 year old
 daughter had just been married, &
 the last thought for me that we could
 see them. He looked very pale, & he
 was very small for his age, I looked as
 if he should have been in that shirt
 playing about, saying how his
 wife was only 16, & his last night
 dinner!! We were all given
 water, & one single large lola
 sliced one. That was it.
