The Voyages of Columbus
First Sighting of Land
Claiming a New World
The United States Postal Service celebrates the 500th anniversary of the voyages of Christopher Columbus. This set is based on the first U.S. stamps to commemorative format, engraved a century ago.
In 1492, Christopher Columbus made the first of his four voyages to the New World.
In 1892, as America awaited the World Columbian Exposition, the Post Office prepared its first commemorative-format stamps.
In 1992, the U.S. Postal Service released these six souvenir sheets, featuring the 1893 Columbian stamp designs — slightly modified — printed from plates made from the original dies.
Contains 16 U.S. postage stamps in 6 souvenir sheets. Total face value = $16.34
