Dear Hilda

Well I'm still in the land of the living and kicking, but I've had a very near shave. I was in the Hospital for a week with Dysentery, but I'm all right now. I suppose you would be on your holidays and would be well on the way to see Mary and Hilda. I suppose you will be glad to get back to Tetbury and your own bed. I've had a letter from Mother and she says she is keeping well. I've had a letter from Mother and she says she is keeping well. I've had a letter from Mother and she says she is keeping well.

Love from Hilda
