NOTICE TO THE SENDER OF THIS TELEGRAM.

1. The charge for transmission will cover the cost of delivery:—

(*a*) If the address is within three miles from the Terminal Telegraph Office, or within the limits of the Town Postal delivery of that Office when it is a Head Post Office if that delivery extends to more than three miles.

(*b*) If the Sender desires it to be forwarded by Post from the Terminal Telegraph Office and shall write the words "Post," or "Post ————" (naming the Office at which the Telegram is to be posted) at the end of the address of the person to whom it is to be delivered.

2. In case the address be beyond the above described limits of free delivery and the Sender does not write the words "Post," or "Post ————" (naming the Office at which the Telegram is to be posted) at the end of the address, this Telegram will, in the absence of some exceptional arrangement with either the Sender or the Addressee, be delivered by Special Messenger.

3. The charge for delivery of this Telegram at any address beyond the limits of free delivery will be at the rate of 3d. for each mile, reckoned from the Terminal Telegraph Office to the address of delivery. Provided that any fraction of a mile beyond any complete number of miles shall be reckoned as a mile. This charge will be payable by the Sender and should be prepaid.

4. If the Sender desires this Telegram to be forwarded by Train from the Terminal Telegraph Office, he must write the word "Train" at the end of the address, and must pay the actual cost of the conveyance, if such cost be known, or must deposit 1s.

5. The Sender may prepay a reply not exceeding in length 48 words. In such case a Form of Pass will be handed to the Addressee. The Pass will, within two months from its date, frank any Telegram not exceeding in length the number of words stated on such Pass. If the Pass be not used, its value will be paid to the Sender of the original Telegram on application being made, within two months, to the Secretary, General Post Office, London, Dublin, or Edinburgh, as the case may be. The Pass must accompany the application.

6. A Telegram can be repeated back from Office to Office throughout the course of transmission if the Sender desires to adopt this security against the risk of error. If containing mercantile quotations or code words a Telegram ought always to be repeated.

7. The Postmaster-General will not be liable for any loss or damage which may be incurred or sustained by reason or on account of any mistake or default in the transmission or delivery of a Telegram.
