POLITICAL PRISONER CENSOR MAIL

MAGILLIGAN CAMP DERRY

FIG. 3 Bears no "CENSOR" stamp - apparently such were not applied regularly during the first two years' existence of this camp.

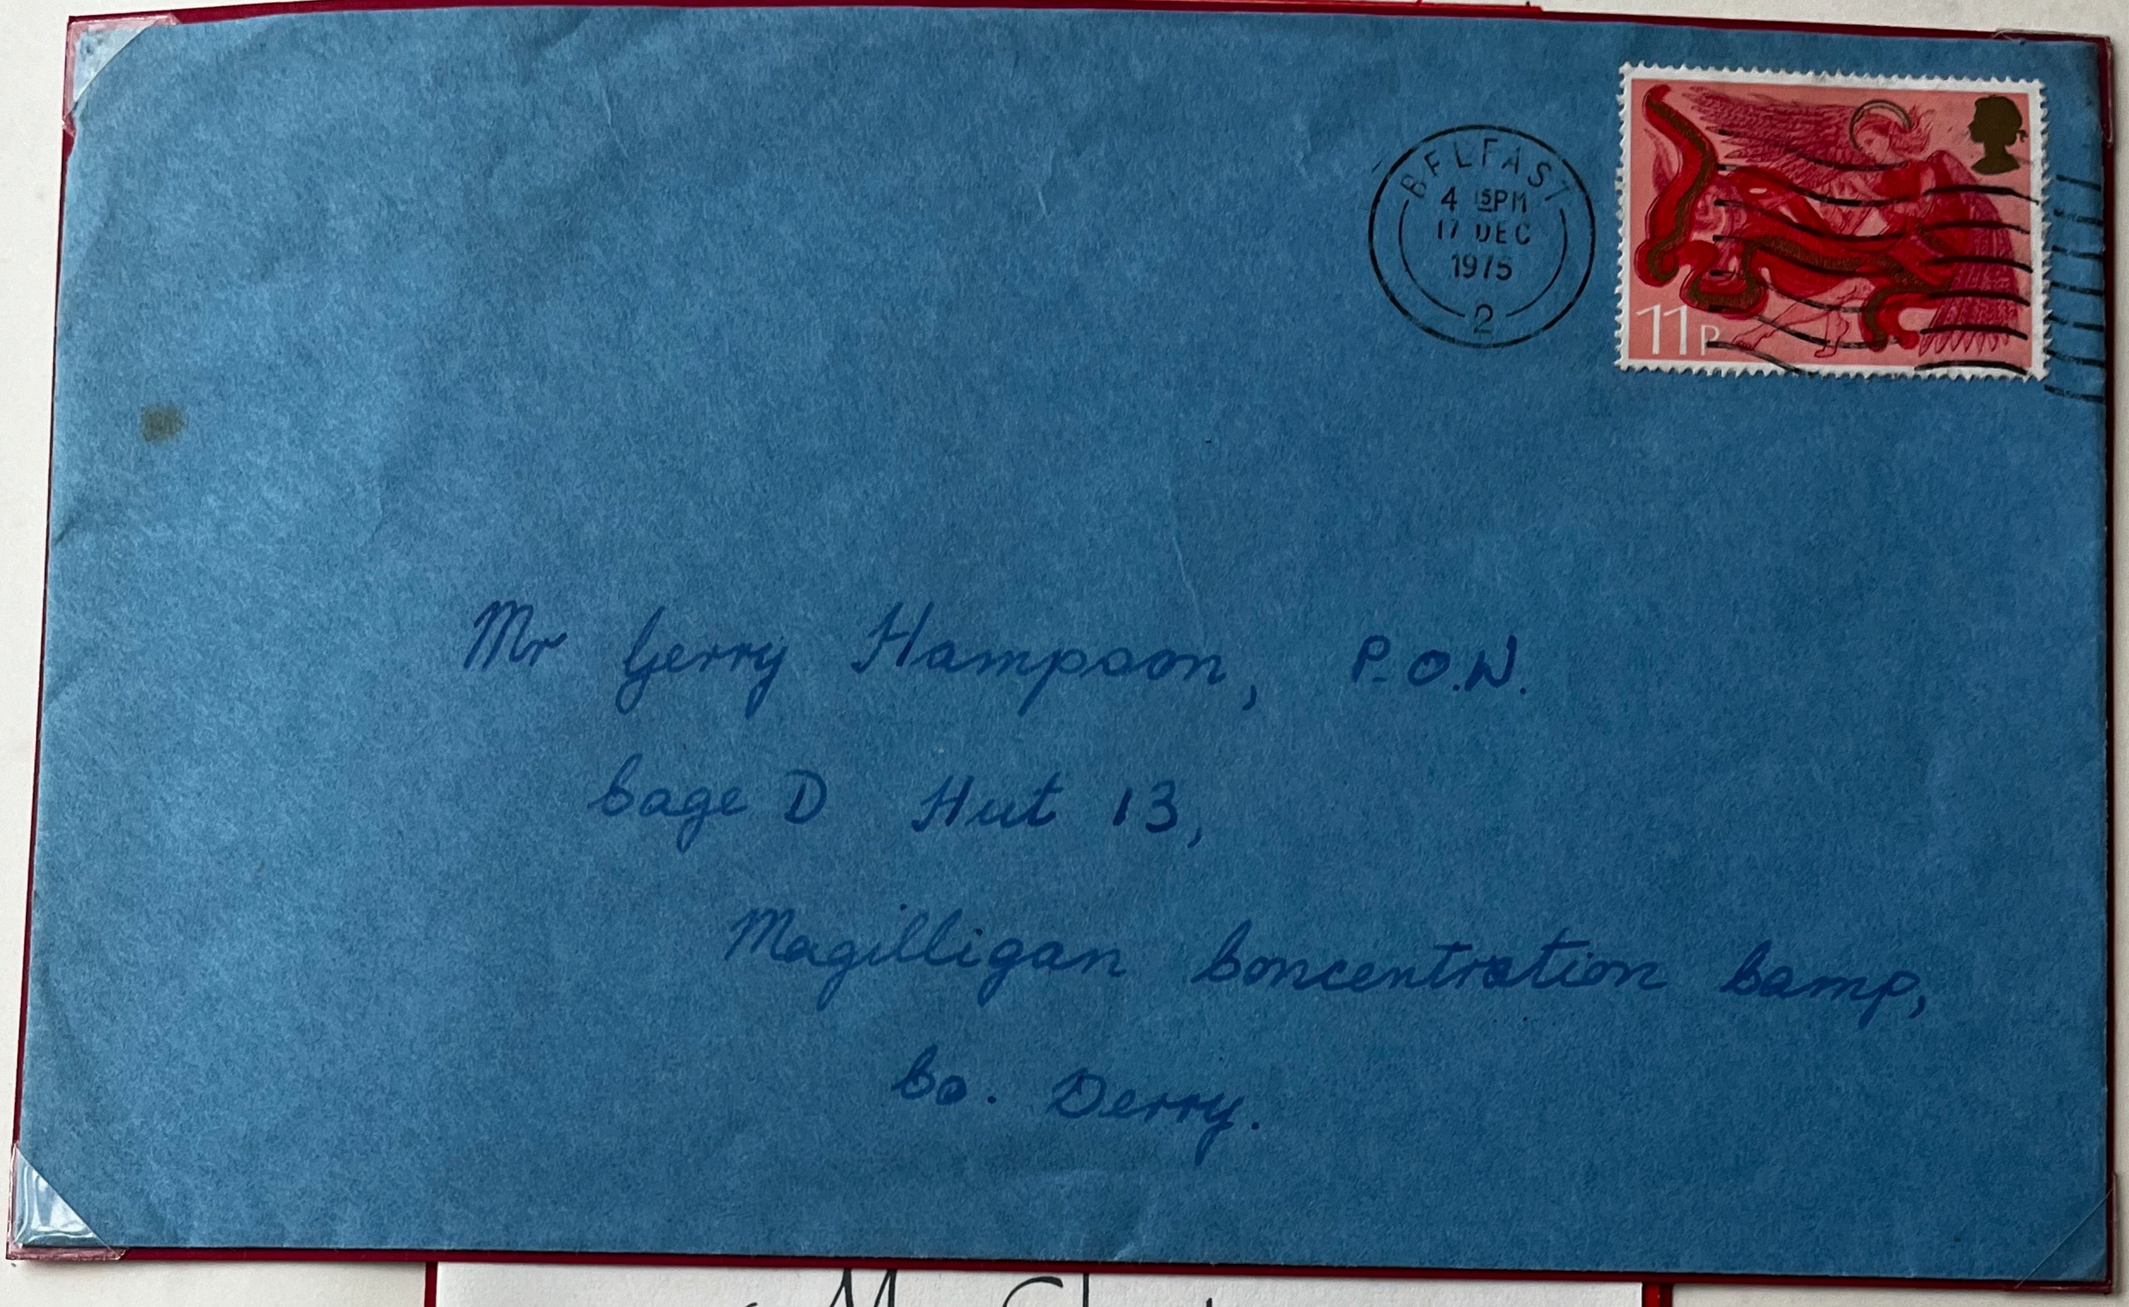

The address includes "Magilligan Concentration Camp".

Note that the postage stamp has been removed, possibly by a censor searching for a hidden message under it.

FIG. [redacted] [redacted] DEC, 1980. "POINT No. 2". AND No 1

Apparently a new policy was introduced by the authorities in 1980, of scratching out already-applied censor marks. The reasoning behind this is obscure.
