REPUBLIQUE FRANÇAISE

A TOUS LES FRANÇAIS

*La France a perdu une bataille!
Mais la France n'a pas perdu la guerre!*

Des gouvernements de rencontre ont pu capituler, cédant à la panique, oubliant l'honneur, livrant le pays à la servitude. Cependant, rien n'est perdu!

Rien n'est perdu, parce que cette guerre est une guerre mondiale. Dans l'univers libre, des forces immenses n'ont pas encore donné. Un jour, ces forces écraseront l'ennemi. Il faut que la France, ce jour-là, soit présente à la victoire. Alors, elle retrouvera sa liberté et sa grandeur. Tel est mon but, mon seul but!

Voilà pourquoi je convie tous les Français, où qu'ils se trouvent, à unir à moi dans l'action, dans le sacrifice et dans l'espérance. Notre patrie est en péril de mort. Luttons tous pour la sauver!

VIVE LA FRANCE !
