This rate is interesting and unusual in that, from its start up to the end of June, it was higher than the rate charged for a foreign registered letter, 36,000 lei.

The postage, 15,000 lei, was the same, but a lower fee for the registration, 21,000 lei, applied to foreign mail.

NEW CURRENCY - On 15th Aug. 1947, a new leu replaced the old. New stamps appeared on that day to replace previous issues. It is believed that 1 new leu was equivalent to about 3,000 old lei.

I.O.V.R. OBLIGATORY TAX for the benefit of Invalids, Orphans and Widows began on 8th Dec. 1947, lasting until 31st Dec. 1948. It was 1 leu on all mail. A provisional overprint on double 2 lei fiscal stamps was followed by a permanent issue in Feb. 1948.

PICTURE POSTCARD - 7.50 new lei

This was the only period from 1939 to date in which the picture postcard rate was the same as the ordinary rate.
