REV. PAUL FLIEHLER

December 12,1938.

STATION Kubal.

Mr. Paul H.Thies,
Loganville,Wis. U.S.A.

Dear Friend:

Your last letter to us written June 3rd,has been waitingly patiently to be answered. Once more we are here in Madang trying to get all letters answered.Your letter is in line for tonight.

During October and November we simply had to devote our entire time to the congregational work of our circuit.They could use much more of my time than I am able to give to them under the circumstances. Most of those months was spent away from the station making trips in various parts of the circuit. Most of the time I had the young missionary ,Rev. Bott along,learning the art of making trips out here and becoming ever more acquainted with the circuit,the land and its people.

One of the main trips of the year was into some uncontrolled area on the other side of the Ramu,which I had visited last year in company with Supt. Dietz,who is now home on furlough. We had no trouble on the trip and for this we are very thankful to the Lord. You ,no doubt,heard about the fight one of our parties had during the course of the year while on a trip in back of Bunabun. One of the men received an arrow in the side,and had to be carried all the way out,back to the coast.He is well again.
