Excerpts from the Postal Manual
Part 142
PRECANCELED STAMPS

142.1 PURPOSE OF PRECANCELING

.11 DEFINITION.—Precanceling means the cancellation of postage stamps, stamped envelopes, or postal cards in advance of mailing. Adhesive postage stamps may be precanceled only by the post office. (See 142.32.)

.12 BENEFITS.—The use of precanceled postage reduces the time and costs of mail handling. Precanceled mail, sorted and tied in packages by the mailer, requires less processing time in the post office, and is therefore dispatched more quickly.

142.2 USE OF PRECANCELED STAMPS

.21 CLASSES OF MAIL.—You may use precanceled stamps to pay postage on:

(*a*) Post cards, but on no other first-class mail, unless specifically authorized by the postmaster on Form 3620. (See 142.32.)

(*b*) Second-, third-, and fourth-class mail.

At the Nov. meeting of the Ariz. Precancel Club, it was voted to temporarily discontinue all of our exchange memberships. For several reasons: costs, time, duplication of papers rcvd by us, & most officers in other clubs already APC members. The Nov Branding Iron is last one being sent. If you wish to continue, your club may take out an ordinary membership at the current rate. Dues sent now are $1 for remainder of our fiscal year -- up through June 30, 1961.

Dear Listener·

Thanks for the question you recently submitted. It is receiving careful consideration.

Many questions must be discarded because they have been used on other programs or previously on our own, because identical or similar ones already are on file, because they seem too easy or too hard, or for dozens of other reasons.

However, I think you will be interested in knowing that those questions which seem to have possibilities are kept on file even if they aren't suitable for use during the week received Thus if your question isn't used immediately don't give up hope We have, on occasion, used questions two or three years old If your question is used, the award will be on its way immediately following the broadcast

Thanks again for your question and best of luck to you

Sincerely,

John Lewellen

Dear Radio Friend:

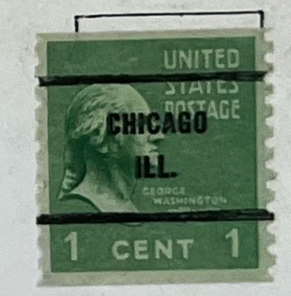

Thank you for the interesting question you submitted for the QUIZ KIDS. We are checking it for program balance, entertainment value and accuracy. Obviously, the matter of program balance is important, so a question unsuitable for this week might be very acceptable later. We have received hundreds of questions, and since we have only 30 minutes a week, it will be impossible to use all the good ones, but we will use every one that time permits. In the event a question submitted by you is used, your Zenith Portable Radio will be shipped the day following the program. We hope you will tell all your friends to listen to this interesting program.

Again, accept our thanks and the best of luck.
