THE WORLD'S FIRST REGISTRATION OF MIDWIVES & NURSES: 1891

To repeal Ordinance No. 82 of 1830, and to make provision for the Licensing and Registration of Medical Practitioners, Apothecaries, Dentists, Chemists and Druggists, Midwives and Nurses.

The Council may, in accordance with regulations approved of by the Governor, grant certificates of competence in midwifery and as trained nurses:

(a) To any person who is the holder of a certificate or diploma as a trained nurse or midwife, granted by any one of such examining or other bodies as the Council may from time to time prescribe and define.

(b) To any person who shall satisfy the examiners thereto appointed by the Council of his or her competence, skill and fitness in and for the occupation of Nursing and Midwifery, and who shall in addition produce proof by certificate or otherwise of having had sufficient training in nursing or midwife's calling work, under competent supervision.

Every such certificate or diploma shall entitle the holder to practise nursing or midwifery according to regulations to be framed by the Council from time to time, and shall be signed by the President and Secretary of the Council, and shall be entered in a register to be kept for that purpose, in connection with and as part of the register provided for in this Act.
