

HARRISON & SONS LTD. SET 5T/ STAMP T20-T24

1922 HARRISON & SONS 5 LINE OVERPRINT FOR ROLLS

Overprinted by Messrs Harrison & Sons from a setting plate with the "R" over "Se" variety.

Letters bolder and taller than the Thom overprint, also the "i" of "Rialtas" is longer.

Overprint measures 17mm x 15.25mm, with Glossy Blue Black ink.

Stamps overprinted using normal sheets, afterwards cut into horizontal strips of twelve or vertical strips of ten and afterwards joined into rolls, 480 horizontal and 500 vertical.

Stamps issued for use in dispensing machines in June 1922, exception being the 2d Die 2 value, which was issued in August.

Quantities issued:

½d.	492 rolls
1d.	1,454 rolls
1½d.	118 rolls
2d.	672 rolls (Die 1)
2d.	820 rolls (Die 2)

No blocks or sheets are available but by careful study of the minor varieties it can be shown that each printing stereo consisted of a 3x 10 forme, made up of 30 clichés. The forme set up being three across and ten deep, repeated eight times to form a printing plate of 240.

Horizontal strips from ROW 1, showing the matching minor flaws :-

Row 1. Stamp 1. Doubling under "nn" of "heireann" (not constant)

Stamp 2. Doubling to right of final "n" of "heireann" (not constant)

Stamp 3. Spot of ink above final "n" of "heireann" (constant)
