Introduction

Dear Collector and Client,

It gives us great pleasure to present in this catalogue over 2'700 single lots, group lots and collections from countries from around the world.

Firstly, we have the Europe section which kicks off on Monday 26th at 2pm CET and continues with Romania onwards on Tuesday 27th May at 9am CET. It starts with over 170 lots of Austria (in addition to the Korn collection of Austria which will take place in the morning beforehand). It features some important rarities, notably a Bavarian 1849 1kr strip of three cancelled contrary to regulations, a superb mint example of the famous Tuscany 3 Lira yellow and an impressive plating study of the Netherlands 1852 King Willem I issues. Again we have a strong section of Romania with over 250 lots including the classics with Bull's Heads, and features the **Mark Lendon collections of Romania** which are sure to excite collectors as they are filled with good material, and are particularly strong in the 1919 overprinted occupation issues (see also his collections under Hungary), all of which will be scanned in PDF format on the website but would certainly benefit viewing in Geneva to appreciate the quality (remember that your first night's stay in Geneva is on us). The Tuesday finishes with All World collections with mixed estates and stocks ideal for the dealer.

The next section is Greece and Ionian Islands which takes place on Saturday 31st May at 10am CET with over 500 lots. The Greece includes mostly **Large Hermes Heads** with proofs, mint, used, multiples and a wealth of frankings, as well as the first part of the **Kalocsai collection of 1896 Athens and 1906 Athens Olympic Games**. Note that we have Olympic stamps and memorabilia in the Thematics section further on in this catalogue.

The Overseas section begins on Sunday 1st June at 10am and features a varied section of China including the Communist period, as well as a **lovely collection of Haiti** which has been broken down into 75 lots, from pre-stamp as early as 1746 with French Colony mail, Republic mail, British Offices, French Consular mail, Liberty Heads and later issues. Throughout the decades we have been known for handling Middle East material, and as per usual we have plenty of **Persia with over 220** lots. But it has been some time since we had such an **offering of Syria**, with Turkish offices, French Occupation, Arabian Government, French Mandate and Autonomous State.

This catalogue, and the auction week, finishes with Thematics with Olympics stamps and memorabilia, as well as Animals, Birds, a good section of Space, Football, Skiing and Polar, as well as a particularly **special collection of Zeppelin mail, memorabilia and ephemera in three large volumes** offered intact. Those collectors interested in thematic philately should use the search categories on our website to find other suitable topical material throughout the auction.

Finally, we would like to thank all our vendors for showing their faith in us to present their items and collections in the best way possible to maximise the potential of their lifetimes' work through our skills in lotting, describing and estimating to produce a catalogue worthy of displaying their philatelic treasures in their best possible light.

Kind regards,

Ricky Verra
Director of Philately

1875 (May 10) envelope to Le Havre with Sage 1F tied by red "JACMEL / PAQ. FR. F" double circle cds, with further strike adjacent, endorsed "p Desirade", reverse with arrival cds, envelope slightly reduced at left and portion of reverse missing along top, a very rare and attractive cover. Salle ("La poste maritime française", tome IV, p.185) defines this datestamp as RR, "pièce d'amateur à partir de 2000", the maximum rarity, and the handstamp illustrated is from this cover, which if perhaps not unique, is nevertheless extremely rare.

Note: A new annexed line designated "F" was inaugurated on 6 February 1879, calling at St. Thomas, San Juan de Porto Rico, Mayaguez, Jacmel, Port-au-Prince, Santiago de Cuba and Kingston. However by September the steamer changed from calling at Jacmel to Cap Haitien instead, so this cancel was only in use for around 6 months.

1898 flimsy sent from the U.S.S. "St Louis" to Key West naval base by CARRIER PIGEON, the message of thanks from Capt C.F. Goodrich to Rear Admiral C Carpenter (the commandant of the U.S. navy yard at Portsmouth, N.H.). As the message was not of importance, it would have been forwarded by mail from Key West and handstamped 'Property of Navy Yard, Portsmouth, N.H.' A very rare example of pigeon post used during the Spanish American War.

Zeppelin

95957

100'000
- 150'000

Zeppelin LZ 127, collection with over 460 covers, including several rarities in 3 large volumes with over 150 pages, with memorabilia, ephemera and covers from 1928-1934, beautifully mounted and decorated, containing numerous photos from LZ 1, autograph cards, original parts of the Zeppelin, a mail-dropping chisel and a letter from Count Zeppelin with his signature.

The first volume contains 100 covers with a wealth of top items that would be a great highlight in most collections, incl. Liechtenstein supply to the 1st America trip with destination Canada (probably a unique item, the collector paid €5500 for it) plus 2 further supplies to this trip, each catalogued at €8000, Czechoslovakia forwarded to Lakehurst (not listed in Michel and Sieger - a very great rarity!), USA 1928 card bearing the signature of Hubert Wilkins, Liechtenstein-Lakehurst forwarded (Michel €10'000), Oriental Flight with forwarding to Syria and postage due (probably unique), Sieger 23j on-board cover, Sieger 26 a,b,c, delivery of Cuers and both drops from the failed 1st North American trip, then the 1st trip carried out is wonderfully documented, including both drops, World tour with Königsberg drop, Sieger 30 Ac feeder Danzig (a rarity), rare Porrentruy drop on the America trip, 2nd Switzerland trip drop Interlaken, then a wealth of often rare drops, Liechtenstein Spain flight feeder, Landing trip Dübendorf with 4 covers from Liechtenstein, 1xMiF and 4 documents from the return trip, another rarity is the cover with stamps from Liechtenstein and Danzig on the Switzerland trip.

Volume 2 contains 176 covers, here also a large number of expensive stamp issues from the South America trip. Again a sensational part of supplies from Liechtenstein, including a wide range for the South America trips such as a round trip letter to Cameroon, Liechtenstein feeder for flight 2.7. as well as 3 top covers from Switzerland trip/Vaduz and much more.

Volume 3 with 186 covers, including many good return trips and another fantastic part of supplies from Liechtenstein and a good part of stage flights. A highlight Liechtenstein mini sheet #1 in the original format with the special cancel on a Zeppelin letter (a very great rarity), followed by another drop bag and a letter from Count von Zeppelin with signature and business card!

An exceptional collection in every respect, which could have been described in much more detail, but the few examples and the pictures speak for themselves.

Of the more than 460 Zeppelin covers, most of the pieces have a three-digit trading value, some even a four-digit value, but offered intact in order to preserve this work of art and offer the connoisseur an ideal introduction to this wonderful collecting area.

2. Auction bids

2.1 Each bid must be higher than the previous bid according to at least the following scale: (the currency may change depending on the auction). Unless otherwise indicated in the catalogue and on the website, the Swiss franc is presumed to be the currency of the sale.

50 - 100:	5	10'000 – 20'000:	1'000
100 - 200:	10	20'000 – 50'000:	2'000
200 - 500:	20	50'000 – 100'000:	5'000
500 – 1,000:	50	100'000 – 200'000:	10'000
1'000 – 2'000:	100	200'000 – 500'000:	20'000
2'000 – 5'000:	200	500'000 – 1'000'000:	50'000
5,000 - 10'000:	500	1'000'000 or more:	100'000

Bids between these amounts will be rounded up to the next higher bid.

2.2 Every bid constitutes a binding and irrevocable offer; the bidder remains committed to his/her offer until it is expressly overbid or declined by the auctioneer.

2.3 Double bids are notified immediately, and the bidding process is restarted; if no higher bid is made, the auction is decided by a draw; for equivalent bids from bidders present and absent, priority is given to the written bidder or to the bidder personally present in the case of a telephone bid.

2.4 The hammer price may, exceptionally, be reduced to the lowest winning bid if it is established that the same bidder has inadvertently increased the price by using more than one bidding method.

2.5 Telephone bids are only accepted if the bidders have registered in advance to bid in this way and are known to DAVID FELDMAN S.A. who has

been able to check their solvency. Buyers are charged an administrative fee.

2.6 Only buyers registered with DAVID FELDMAN S.A. who have obtained a bidder number may participate in the auction. Upon request, they must provide proof of identity, address, and bank account details. Upon request, DAVID FELDMAN S.A. reserves the right to limit the maximum bidding amount to certain buyers depending on their financial capacity. For certain buyers, DAVID FELDMAN S.A. may even require the prior deposit of a financial guarantee by credit card or bank transfer.

2.7 Written bids received by DAVID FELDMAN S.A. or on the website prior to the sale take precedence in all cases over bids made in the auction room. They are firm and final. Bidders giving a written bidding order may make alternative bids and/or limit the total amount of their bids. Bids given "to buy" may not exceed more than 10 times the value of the high estimate printed in the catalogue.

2.8 For auctions without an auctioneer, online bids are received by DAVID FELDMAN S.A. on its website. At the end of the auction, at the precise time and minute, the lot is awarded to the highest bidder, at one step above the next highest bid. If the last bidder has bid in the last fifteen seconds of the sale, the auction for this lot is extended by fifteen seconds from the time the last bid was received.

2.9 All written bids are considered binding for 60 days after the auction date. DAVID FELDMAN S.A. is therefore entitled to invoice the bidder for the goods until the expiry of this period. Any invoice received by the bidder is therefore valid and must be paid immediately.

2.10 DAVID FELDMAN S.A. has the right to refuse bids, to separate, join or withdraw any lot at its sole discretion. The sale will be conducted in English or French, but bids may be repeated in any other language. DAVID FELDMAN S.A. is also authorised to bid on behalf of sellers where reserve prices have been set. If the seller sets reserve prices for some of his/her lots, s/he will be deemed to be the buyer and DAVID FELDMAN S.A. will bid on his/her behalf up to the reserve prices set. If the price set by the seller is not reached, the next lot will be auctioned.

3 The auction sale

3.1 Auction Representatives and Agents: The bidder assumes personal responsibility for his/her bid and cannot claim that the purchase was made in the name or on behalf of a third party. The representative is jointly liable for the person s/he represents for compliance with the obligations.

This responsibility extends particularly to checking the quality of the lots purchased and to the subsequent payment of the invoice for the lots purchased.

Bidders who are personally present as representatives of third parties must communicate this unequivocally to the auction management at the latest at the time of the auction.

3.2 Winning bids: Each lot is awarded to the highest bidder on behalf of its respective seller. In addition to the hammer price, **the buyer is charged a 23% buyer's commission, plus VAT where applicable.**

VAT of 8.1% is payable by the buyer on the hammer price. For lots marked with a circle next to the lot number, VAT of 8.1% is payable on the buyer's commission only.

3.3 VAT paid may be refunded upon presentation of proof of export. DAVID FELDMAN S.A. will charge an administration fee of CHF 75.00.

Shipping costs will be invoiced separately.

Before the auction, buyers must obtain information on the administrative procedures for the export of lots and their legality. Buyers are solely responsible for any such formalities after the auction. DAVID FELDMAN S.A. can take care of this for a fee.

3.4 When the hammer falls, the profits and risks of the lots thus auctioned pass to the bidder whose bid has been accepted. However, the goods will

not be handed over to the buyer until the purchase price (hammer price plus costs and VAT, if applicable) has been paid in full. Thus, the risks are transferred at the time of the auction. Ownership passes to the buyer once the invoice has been paid in full and possession has been transferred.

3.5 At DAVID FELDMAN S.A.'s request, sales must be officially acknowledged by signature.

3.6 Payment: Successful bidders are obliged to pay the purchase price, plus VAT if applicable, and the commission in cash in the currency of the auction, against surrender of the goods purchased, within a maximum of 5 days of the auction.

Fees charged to DAVID FELDMAN S.A. for credit card payments will be invoiced to the buyer. These vary from 1.5% to 5% depending on the credit card company.

Cash payments are only accepted up to CHF 100'000.

3.7 Payment arrangements: Upon prior request at least 10 days before the sale, DAVID FELDMAN S.A. may, at its own discretion, grant payment arrangements to buyers. The buyer benefiting from such arrangements will pay a minimum amount of 25% of the total invoice within a maximum of 5 days from the date of the sale and will then pay the balance in equal monthly instalments over a maximum period of 4 months. Monthly interest plus costs incurred **at the rate of 1%** is charged by and on behalf of DAVID FELDMAN SA from the date of the sale. Interest is debited monthly to the customer's account. In general, **no lot is delivered without full payment of the hammer price, the sales commission and, if applicable, VAT.**

3.8 Late payment: Payment must be made in cash as soon as the lot is sold. Any buyer who has not paid the hammer price and the commission due in full within a maximum of 5 days of the sale is already in default of payment. In the event of default by the buyer, DAVID FELDMAN S.A. reserves the right (1) to cancel the sale and dispose of the lot(s) concerned and to take legal action against the buyer in order to obtain payment of an indemnity of 23% of the hammer price and full payment of the commission due plus interest of at least 1% per month or (2) to enforce the seller's lien in accordance with the above provisions. In addition, expenses incurred by DAVID FELDMAN S.A. in the performance of its obligations hereunder shall be levied in addition on all sums due from the buyer. In addition, the defaulting debtor loses all rights of complaint.

3.9 Right of lien: Until full payment of the amounts due, the buyer grants DAVID FELDMAN S.A., acting on behalf of the Seller, a right of lien on all lots sold but not delivered. This lien guarantees the payment of any amount due past and present, such as the hammer price, the purchase commission, possible VAT, interest, and possible costs. After notice from the buyer, DAVID FELDMAN S.A. is authorised, but not obliged, to realise the pledges without further formalities and without notice if the buyer is in default for the payment of his/her debt or the fulfilment of any obligation. DAVID FELDMAN S.A. may in all cases realise the liens by mutual agreement.

To this end, DAVID FELDMAN S.A. is not obliged to comply with the procedures specified in the Federal Debt Collection and Bankruptcy Act; DAVID FELDMAN S.A. is also free to initiate or continue ordinary debt collection proceedings without first realising the liens and without thereby waiving them.

If the realisation of the lien does not cover the amounts owed by the Buyer, DAVID FELDMAN S.A. is entitled to sue the Buyer for the difference.

3.10 Appraisal or counter-appraisal in the context of the sale of philatelic items only: DAVID FELDMAN S.A. may attach an appraisal to the description of philatelic items, the report of which forms an integral part of the description of the lots, which may be obtained on request. When the authenticity of a lot of philatelic objects is contested, the buyer must produce a certificate of expertise or counter-expertise from

a qualified expert justifying his/her claim, within 30 days of the date of the auction. If the recognised expert, who assumes all responsibility in the event of error, deems that the item has been falsified, s/he may mark it accordingly; the signs "FAKE" or "FORGED" do not then constitute an alteration to the batch of philatelic items.

In the event of such a claim, DAVID FELDMAN S.A. reserves the right to request, at its discretion, one or more subsequent expert appraisals, the costs of which will be borne by the seller if the buyer's claim is well-founded. If the buyer's claim is unfounded, the buyer will bear all the costs incurred. If the claim is well-founded, the lot of philatelic objects will be taken back, and the auction price and commission will be reimbursed in full to the buyer. In the event of delayed payment due to an appraisal approved by David Feldman S.A., interest is payable at 50% of the usual rate for any lot of philatelic objects whose authenticity is confirmed. If David Feldman S.A. does not agree, all interest will be due.

Buyers may request an extension for certification at the time of the adjudication only. For lots with a hammer price of 5'000 or more in the currency of the auction, DFSA will charge a flat handling fee of CHF 100 per item, plus the cost of the certificate. For all other lots DFSA will charge a flat handling fee of CHF 200 per item, plus the cost of the certificate.

3.11 Limits of the guarantee: Batch items described as collections, selections, or groups, those consisting of duplicates and accumulations, cannot be the subject of any claim whatsoever. Claims concerning lots of items described as sets or groups of sets containing more than one stamp will only be considered within the limits of the above article if they relate to more than one third of the total acquisition value of the lot. Lots of items which have been examined by the purchaser or his/her agent, as well as lots of philatelic items which are described as having defects, may not be the subject of any claim in respect thereof. No claim may be made in respect of perforation, centring, margins, or any other feature visible in the illustration of any illustrated batch of items.

3.12 All lots awarded must be removed after the auction by the purchasers within 5 days, at the purchasers' cost and expense. No lot may be picked up during the auction. Lots not picked up will be stored at the buyers' expense for a maximum of 6 months. After this period, the lots will become the property of DAVID FELDMAN S.A., without eliminating the buyers' financial obligations hereunder.

Upon request, DAVID FELDMAN S.A. directly or through a third party, can arrange transport or delivery against payment of this service in advance. Under no circumstances will DAVID FELDMAN S.A. or the third party be liable for any damage to or loss of the items during transport or delivery.

4 Applicable law and jurisdiction

The present auction and all legal relationships arising from it shall be subject exclusively to Swiss law. Any legal action or proceedings relating to the auction and the legal relationships arising therefrom shall be subject to the exclusive jurisdiction of the courts of Geneva, subject to appeal to the Swiss Federal Court in Lausanne. In any case, DAVID FELDMAN S.A. reserves the right to sue any defaulting buyer at his/her place of residence, in which case Swiss Law remains applicable.

5 Miscellaneous

These General Terms and Conditions of Sale apply to all purchases and sales transactions with David Feldman SA with participating bidders, even outside of auctions.

These Terms and Conditions of Sale have been drawn up in French and are accompanied by an English translation. In the event of any discrepancy between the English and French versions, the French text shall prevail.

1 Mit der Teilnahme, Registrierung oder dem Erhalt einer Bieternummer bei einer der Auktionen von David Feldman S.A. erklären Sie sich mit den unten aufgeführten Bedingungen und den sich daraus ergebenden Rechten und Pflichten einverstanden. Diese allgemeinen Geschäftsbedingungen gelten für alle Transaktionen im Zusammenhang mit Losen, die Teil der Auktion sind oder außerhalb der Auktion abgeschlossen werden. DAVID FELDMAN S.A., der Organisator dieser Auktion, handelt ausschließlich als Vermittler und übernimmt daher keinerlei Haftung bei Nichterfüllung(en) durch Käufer und/oder Verkäufer. **Die Auktion wird im Namen und im Auftrag von Drittverkäufern durchgeführt, die unter Ausschluss von DAVID FELDMAN S.A. direkt verantwortlich sind.**

1.1 Die Lose werden auf Basis ihrer Präsentation im Katalog und/oder auf der Website zum Verkauf angeboten: Die Lose werden mit größter Sorgfalt beschrieben, ohne dass DAVID FELDMAN S.A. dafür die Verantwortung übernimmt. Fotografien sind ein wesentlicher Bestandteil der Beschreibungen.

1.2 Für Lose mit einem Wert von weniger als 1'500 CHF oder dem entsprechenden Wert in anderen Währungen wird keine Haftung übernommen. Im Katalog können Schäden an den verkauften Losen erwähnt werden, eine erschöpfende Auflistung ist jedoch nicht enthalten. Bieter können den Zustand eines Loses, sofern verfügbar, entweder im Internet oder auf Anfrage überprüfen. Lose, die mit einem Quadrat neben der Losnummer gekennzeichnet sind, unterliegen der Bundeskontrolle für Edelmetalle (CMP), deren Bericht auf Anfrage erhältlich ist.

1.3 DAVID FELDMAN SA organisiert vor dem Verkauf einen oder mehrere Tage zur Präsentation der Lose an einem Ort im Kanton Genf oder anderswo, an dem Käufer oder ihre Vertreter alle Lose zu den im Verkaufskatalog oder auf unserer Website angegebenen Zeiten begutachten können.

1.4 Käufer hatten die Möglichkeit, die Lose vor dem Verkauf zu prüfen. Es wird davon ausgegangen, dass sie alle gekauften Lose geprüft haben und sie in dem Zustand akzeptieren, in dem sie sich zum Zeitpunkt der Auktion befinden, unabhängig von der Beschreibung im Katalog. Diese Beschreibung stellt lediglich eine Meinung dar und ist keine Garantie für die Echtheit der verkauften Artikel. **Außer im Falle einer vorherigen Vereinbarung mit David Feldman SA werden keine Ansprüche akzeptiert. Die Lose werden verkauft, wie besehen.** Im Zusammenhang mit dem Verkauf von philatelistischen Artikeln gilt jedoch die Klausel 3.10.

2 Auktionsgebote

2.1 Jedes Gebot muss mindestens nach der folgenden Skala höher sein als das vorherige Gebot: (die Währung kann je nach Auktion variieren).

Sofern im Katalog und auf der Website nichts anderes angegeben ist, wird der Schweizer Franken als Verkaufswährung angenommen.

50 - 100:	5	10'000 – 20'000:	1'000
100 - 200:	10	20'000 – 50'000:	2'000

1'000 – 2'000:	100	200'000 – 500'000:	20'000
2'000 – 5'000:	200	500'000 – 1'000'000:	50'000
5,000 - 10'000:	500	1'000'000 or more:	100'000

Gebote, die zwischen diesen Beträgen liegen, werden auf das nächsthöhere Gebot aufgerundet.

2.2 Jedes Gebot stellt ein verbindliches und unwiderrufliches Angebot dar. Der Bieter bleibt an sein Angebot gebunden, bis es vom Auktionator ausdrücklich überboten oder abgelehnt wird.

2.3 Doppelte Gebote werden sofort gemeldet und der Bieterprozess wird neu gestartet. Wenn kein höheres Gebot abgegeben wird, wird die Auktion durch ein Los entschieden. Bei gleichwertigen Geboten von anwesenden und abwesenden Bietern hat der schriftliche Bieter Vorrang oder der persönlich anwesende Bieter im Falle eines telefonischen Gebots.

2.4 Der Zuschlagspreis kann ausnahmsweise auf das niedrigste Gebot reduziert werden, wenn festgestellt wird, dass derselbe Bieter den Preis versehentlich durch die Verwendung von mehr als einer Gebotsmethode erhöht hat.

2.5 Telefonische Gebote werden nur angenommen, wenn sich die Bieter im Voraus für diese Art des Bietens registriert haben und DAVID FELDMAN S.A. bekannt sind, sodass

die Zahlungsfähigkeit der Bieter überprüft werden konnte. Käufern wird eine Verwaltungsgebühr berechnet.

2.6 Nur bei DAVID FELDMAN S.A. registrierte Käufer, die eine Bieternummer erhalten haben, können an der Auktion teilnehmen. Sie müssen auf Anfrage einen Identitätsnachweis, eine Adresse und eine Bankverbindung vorlegen. Auf Anfrage behält sich DAVID FELDMAN S.A. das Recht vor, den maximalen Gebotsbetrag für bestimmte Käufer in Abhängigkeit von deren finanzieller Leistungsfähigkeit zu begrenzen. Bei bestimmten Käufern kann DAVID FELDMAN S.A. sogar die vorherige Hinterlegung einer finanziellen Sicherheit per Kreditkarte oder Banküberweisung verlangen.

2.7 Schriftliche Gebote, die vor der Auktion bei DAVID FELDMAN S.A. oder auf der Website eingehen, haben in jedem Fall Vorrang vor Geboten, die im Auktionssaal abgegeben werden. Sie sind bindend und endgültig. Bieter, die einen schriftlichen Gebotsauftrag erteilen, können Alternativgebote abgeben und/oder den Gesamtbetrag ihrer Gebote begrenzen. Gebote, die „zum Kauf“ abgegeben werden, dürfen den zehnfachen Wert des im Katalog abgedruckten oberen Schätzwerts nicht überschreiten.

2.8 Bei Auktionen ohne Auktionator werden die Online-Gebote von DAVID FELDMAN S.A. auf seiner Website entgegengenommen. Am Ende der Auktion, auf die Sekunde genau, wird das Los an den Höchstbietenden vergeben, mit einem Schritt über dem nächsthöheren Gebot. Wenn der letzte Bieter in den letzten fünfzehn Sekunden des Verkaufs geboten hat, wird die Auktion für dieses Los um fünfzehn Sekunden ab dem Zeitpunkt des Eingangs des letzten Gebots verlängert.

2.9 Alle schriftlichen Gebote gelten für 60 Tage nach dem Auktionstermin als verbindlich. DAVID FELDMAN S.A. ist daher berechtigt, dem Bieter die Ware bis zum Ablauf dieser Frist in Rechnung zu stellen. Jede Rechnung, die der Bieter erhält, ist daher gültig und muss sofort bezahlt werden.

2.10 DAVID FELDMAN S.A. hat das Recht, Gebote abzulehnen, Lose nach eigenem Ermessen zu trennen, zusammenzufassen oder zurückzuziehen. Die Versteigerung wird in englischer oder französischer Sprache durchgeführt, Gebote können jedoch in jeder anderen Sprache wiederholt werden.

DAVID FELDMAN S.A. ist auch berechtigt, im Namen von Verkäufern zu bieten, wenn Mindestpreise festgelegt wurden. Wenn der Verkäufer Mindestpreise für einige seiner Lose festlegt, gilt er als Käufer und DAVID FELDMAN S.A. bietet in seinem Namen bis zu den festgelegten Mindestpreisen. Wird der vom Verkäufer festgelegte Preis nicht erreicht, wird das nächste Los versteigert.

3 Die Versteigerung

3.1 Auktionsvertreter und -agenten: Der Bieter übernimmt die persönliche Verantwortung für sein Gebot und kann nicht behaupten, dass der Kauf im Namen oder im Auftrag eines Dritten getätigt wurde. Der Vertreter haftet gesamtschuldnerisch für die Einhaltung der Verpflichtungen der von ihm vertretenen Person.

Diese Verantwortung erstreckt sich insbesondere auf die Prüfung der Qualität der gekauften Lose und die anschließende Bezahlung der Rechnung für die gekauften Lose.

Bieter, die persönlich als Vertreter Dritter anwesend sind, müssen dies der Auktionsleitung spätestens zum Zeitpunkt der Auktion unmissverständlich mitteilen.

3.2 Zuschläge: Jedes Los wird an den Höchstbietenden im Namen des jeweiligen Verkäufers vergeben. Zusätzlich zum Zuschlagspreis wird dem **Käufer eine Provision in Höhe von 23 % berechnet, ggf. zuzüglich Mehrwertsteuer. Der Käufer muss auf den Zuschlagspreis eine Mehrwertsteuer von 8,1 % zahlen. Für Lose die mit einem Kreis neben der Losnummer gekennzeichnet sind, fällt die Mehrwertsteuer von 8,1% nur auf die Käuferprovision an.**

3.3 Die gezahlte Mehrwertsteuer kann gegen Vorlage eines Ausfuhrnachweises zurückerstattet werden. DAVID FELDMAN S.A. berechnet eine Verwaltungsgebühr von 75,00 CHF. Die Versandkosten werden separat in Rechnung gestellt.

Vor der Auktion müssen sich die Käufer über die Formalitäten für die Ausfuhr der Lose und deren Rechtmäßigkeit informieren. Käufer sind für alle Formalitäten nach der Auktion allein verantwortlich. DAVID FELDMAN S.A. kann dies gegen Zahlung einer Gebühr übernehmen.

3.4 Wenn der Hammer fällt, gehen die Gewinne und Risiken der versteigerten Lose auf den Bieter über, dessen Gebot angenommen wurde. Allerdings werden die Güter erst dann an den Käufer übergeben werden, wenn der Kaufpreis (Zuschlagspreis zuzüglich Kosten und Mehrwertsteuer, falls zutreffend) vollständig gezahlt wurde. Die Risiken werden also zum Zeitpunkt der Auktion übertragen. Das Eigentum geht auf den Käufer über, sobald die Rechnung vollständig bezahlt wurde und der Besitz übertragen wurde.

3.5 Auf Wunsch von DAVID FELDMAN S.A. müssen Verkäufe offiziell per Unterschrift bestätigt werden.

3.6 Bezahlung: Erfolgreiche Bieter sind verpflichtet, den Kaufpreis, ggf. zuzüglich Mehrwertsteuer, und die Provision in bar in der Währung der Auktion gegen Aushändigung der gekauften Güter innerhalb von maximal 5 Tagen nach der Auktion zu zahlen.

Gebühren, die DAVID FELDMAN S.A. für Kreditkartenzahlungen berechnet werden, werden dem Käufer in Rechnung gestellt. Diese variieren je nach Kreditkartenunternehmen zwischen 1,5 % und 5 %.

Barzahlungen werden nur bis zu einem Betrag von 100'000 CHF akzeptiert.

3.7 Zahlungsmodalitäten: Auf vorherige Anfrage, die mindestens 10 Tage vor dem Verkauf gestellt werden muss, kann DAVID FELDMAN S.A. Käufern nach eigenem Ermessen ein Zahlungsziel einräumen. Der Käufer, mit dem eine solche Vereinbarung getroffen wurde, zahlt innerhalb von maximal fünf Tagen nach dem Verkaufsdatum einen Mindestbetrag von 25 % des Gesamtbetrags der Rechnung und begleicht den Restbetrag in gleich hohen monatlichen Raten über einen Zeitraum von maximal vier Monaten. Monatliche Zinsen zuzüglich anfallender Kosten **in Höhe von 1 %** werden von und im Namen von DAVID FELDMAN SA ab dem Verkaufsdatum berechnet. Die Zinsen werden

monatlich dem Konto des Kunden belastet. Im Allgemeinen **wird kein Los ausgehändigt, ohne dass der Zuschlagspreis, die Verkaufsprovision und ggf. die Mehrwertsteuer vollständig bezahlt wurden.**

3.8 Zahlungsverzug: Die Zahlung muss in bar erfolgen, sobald das Los verkauft ist. Jeder Käufer, der den Zuschlagspreis und die fällige Provision nicht innerhalb von maximal 5 Tagen nach dem Verkauf vollständig bezahlt hat, befindet sich bereits im Zahlungsverzug. Im Falle einer Nichterfüllung durch den Käufer behält sich DAVID FELDMAN S.A. das Recht vor, (1) den Verkauf zu annullieren und über die betreffende(n) Partie(n) zu verfügen und rechtliche Schritte gegen den Käufer einzuleiten, um eine Entschädigung in Höhe von 23 % des Zuschlagspreises und die vollständige Zahlung der fälligen Provision zuzüglich Zinsen in Höhe von mindestens 1 % pro Monat zu erhalten, oder (2) das Pfandrecht des Verkäufers gemäß den oben genannten Bestimmungen geltend zu machen. Darüber hinaus werden alle Kosten, die DAVID FELDMAN S.A. bei der Erfüllung seiner Verpflichtungen aus diesem Vertrag entstehen, zusätzlich auf alle vom Käufer geschuldeten Beträge aufgeschlagen. Ferner verliert der säumige Zahlungspflichtige alle Beschwerderechte.

3.9 Pfandrecht: Bis zur vollständigen Begleichung der fälligen Beträge gewährt der Käufer DAVID FELDMAN S.A., die im Namen des Verkäufers handelt, ein Pfandrecht an alle verkauften, aber nicht übergebenen Lose. Dieses Pfandrecht garantiert die Zahlung aller fälligen Beträge in der Vergangenheit und Gegenwart, wie z.B. den Zuschlagspreis, die Kaufprovision, eventuelle Mehrwertsteuer, Zinsen und eventuelle Kosten. Nach Mitteilung durch den Käufer ist DAVID FELDMAN S.A. berechtigt, aber nicht verpflichtet, die Pfandgegenstände ohne weitere Formalitäten und ohne Vorankündigung zu verwerten, wenn der Käufer mit der Zahlung seiner Schulden oder der Erfüllung einer Verpflichtung in Verzug ist. DAVID FELDMAN S.A. kann in allen Fällen die Pfandrechte im gegenseitigen Einvernehmen verwerten.

Zu diesem Zweck ist DAVID FELDMAN S.A. nicht verpflichtet, die im Bundesgesetz über Schuldbetreibung und Konkurs festgelegten Verfahren einzuhalten. DAVID FELDMAN S.A. steht es auch frei, ein ordentliches Betreibungsverfahren einzuleiten oder fortzusetzen, ohne die Pfandrechte vorher zu verwerten und ohne damit auf sie zu verzichten.

Wenn die Verwertung des Pfandrechts die vom Käufer geschuldeten Beträge nicht abdeckt, ist DAVID FELDMAN S.A. berechtigt, den Käufer auf die Differenz zu verklagen.

3.10 Bewertung oder Gegenbewertung im Zusammenhang ausschließlich mit dem Verkauf von philatelistischen Artikeln: DAVID FELDMAN S.A. kann der Beschreibung der philatelistischen Artikel ein Gutachten beifügen, dessen Inhalt ein integraler Bestandteil der Beschreibung der Lose ist. Dieses Gutachten ist auf Anfrage erhältlich.

Wenn die Echtheit eines Loses philatelistischer Objekte angezweifelt wird, muss der Käufer innerhalb von 30 Tagen nach dem Auktionsdatum ein Gutachten oder Gegengutachten eines qualifizierten Sachverständigen vorlegen, das seine Behauptung stützt. Wenn der anerkannte Sachverständige, der im Falle eines Fehlers die volle Verantwortung übernimmt, der Meinung ist, dass der Artikel gefälscht wurde, kann er ihn entsprechend mit „FALSCH“ oder „GEFÄLSCHT“ kennzeichnen. Die Kennzeichnung stellt dann keine Änderung des Loses der philatelistischen Artikel dar.

Im Falle einer solchen Reklamation behält sich DAVID FELDMAN S.A. das Recht vor, nach eigenem Ermessen ein oder mehrere weitere Gutachten einzuholen, deren Kosten vom Verkäufer getragen werden, wenn die Reklamation des Käufers begründet ist. Ist die Reklamation des Käufers unbegründet, trägt der Käufer alle anfallenden Kosten. Ist die Reklamation begründet, wird das Los philatelistischer Objekte zurückgenommen und der Auktionspreis sowie die Provision werden dem Käufer vollständig erstattet. Bei Zahlungsverzug aufgrund eines von David Feldman S.A. genehmigten Gutachtens sind Zinsen in Höhe von 50 % des üblichen Satzes für jedes Los philatelistischer Objekte zu zahlen, dessen Echtheit bestätigt wird. Wenn David Feldman S.A. nicht zustimmt, werden alle Zinsen fällig.

Käufer können eine Verlängerung der Echtheitsbestätigung nur zum Zeitpunkt der Zuschlagserteilung beantragen. Für Lose mit einem Zuschlagspreis von 5'000 oder mehr in der Währung der Auktion berechnet DFSA eine pauschale Bearbeitungsgebühr von 100 CHF pro Los zuzüglich der Kosten für die Echtheitsbestätigung. Für alle anderen Lose berechnet DFSA eine pauschale Bearbeitungsgebühr von 200 CHF pro Artikel zuzüglich der Kosten für eine Echtheitsbestätigung.

3.11 Die Grenzen der Garantie: Losgrößen, die als Sammlungen, Auswahlen oder Gruppen beschrieben werden, die aus Duplikaten und Ansammlungen bestehen, können nicht Gegenstand von Ansprüchen jeglicher Art sein. Ansprüche in Bezug auf Losgrößen von Gegenständen, die als Sätze oder Gruppen von Sätzen mit mehr als einer Briefmarke beschrieben werden, werden nur innerhalb der Grenzen des obigen Absatzes berücksichtigt, wenn sie sich auf mehr als ein Drittel des gesamten Anschaffungswerts der Losgröße beziehen. Lose von Gegenständen, die vom Käufer oder seinem Vertreter geprüft wurden, sowie Lose von philatelistischen Gegenständen, die als fehlerhaft beschrieben werden, können nicht Gegenstand von Ansprüchen sein. Es können keine Ansprüche in Bezug auf Perforation, Zentrierung, Ränder oder andere Merkmale geltend gemacht werden, die in der Abbildung eines illustrierten Loses sichtbar sind.

3.12 Alle zugeschlagenen Lose müssen nach der Auktion von den Käufern innerhalb von 5 Tagen auf eigene Kosten abgeholt werden. Lose dürfen nicht während der Auktion abgeholt werden. Nicht abgeholte Lose werden auf Kosten des Käufers für maximal 6 Monate gelagert. Nach diesem Zeitraum gehen die Lose in das Eigentum von DAVID FELDMAN S.A. über, ohne dass die finanziellen Verpflichtungen der Käufer aus diesem Vertrag erlöschen.

Auf Anfrage kann DAVID FELDMAN S.A. direkt oder über einen Dritten den Transport oder die Lieferung gegen Vorauszahlung dieser Dienstleistung arrangieren.

Unter keinen Umständen haften DAVID FELDMAN S.A. oder der Dritte für Schäden oder den Verlust der Gegenstände während des Transports oder der Lieferung.

2. Les offres d'enchères

2.1 Chaque offre d'enchère doit être supérieure à celle formulée précédemment au minimum selon l'échelle suivante: (la monnaie peut changer selon la vente aux enchères) Sans indication contraire sur le catalogue et sur le site internet, le franc suisse est présumé la monnaie de la vente.

50 - 100:	5	10'000 – 20'000:	1'000
100 - 200:	10	20'000 – 50'000:	2'000
200 - 500:	20	50'000 – 100'000:	5'000
500 – 1,000:	50	100'000 – 200'000:	10'000
1'000 – 2'000:	100	200'000 – 500'000:	20'000
2'000 – 5'000:	200	500'000 – 1'000'000:	50'000
5'000 - 10'000:	500	1'000'000 et plus:	100'000

Les offres se situant entre ces montants seront arrondies à la surenchère supérieur.

2.2 Toute enchère constitue une offre contraignante et irrévocable ; l'enchérisseur reste engagé vis-à-vis de son offre tant que celle-ci n'est pas expressément surenchérie ou déclinée par le commissaire-priseur.

2.3 Les offres doubles sont signalées immédiatement et entraînent une reprise du processus d'enchère ; si aucune surenchère n'est faite, l'adjudication se fait par tirage au sort ; pour les offres équivalentes émanant d'enchérisseurs présents et absents, l'adjudication se fait en priorité au donneur d'ordre écrit ou à l'enchérisseur personnellement présent en cas d'offre téléphonique.

2.4 Le prix marteau pourra, exceptionnellement, être ramené à la mise gagnante la plus basse s'il est établi que le même enchérisseur a augmenté le prix par inadvertance en utilisant plus d'un moyen de miser.

2.5 Les enchères par téléphone ne sont acceptées que pour autant que les acheteurs se sont enregistrés au préalable pour pouvoir miser sous cette forme et sont connus de DAVID FELDMAN S.A. qui a pu vérifier leur solvabilité. Un émoulement administratif est facturé aux acheteurs.

2.6 Seuls les acheteurs enregistrés auprès de DAVID FELDMAN S.A., ayant obtenu un numéro d'enchérisseur pourront participer aux enchères. Sur demande, Ils devront fournir une pièce d'identité, une preuve de domicile et un compte bancaire. Sur demande, DAVID FELDMAN S.A. se réserve le droit de limiter à certains acheteurs le montant maximum possible pour enchérir en fonction de leur capacité financière. Pour certains acheteurs, DAVID FELDMAN S.A. peut même exiger le dépôt préalable d'une garantie financière par carte de crédit ou par virement.

2.7 Les offres d'enchères écrites reçues par DAVID FELDMAN S.A. ou sur le site Internet avant la vente, sont dans tous les cas prioritaires sur les offres d'enchères faites dans la salle de vente. Elles sont fermes et définitives. L'enchérisseur donnant un ordre d'enchères écrit peut faire des offres alternatives et/ou limiter le montant global de ses offres. Les offres d'enchères données «à acheter» ne peuvent pas dépasser plus de 10 fois la valeur de l'estimation haute imprimée dans le catalogue.

2.8 Pour les ventes aux enchères sans commissaire-priseur, les offres d'enchères online sont reçues par DAVID FELDMAN S.A. sur son site internet. Au moment de la fin de l'enchère, à l'heure et à la minute précise, le lot est adjudiqué à l'enchérisseur ayant émis l'offre la plus élevée. Dans le cas où le dernier enchérisseur a enchéri dans les quinze dernières secondes de la vente, la vente aux enchères pour ce lot est prolongée de quinze secondes depuis la réception de la dernière offre.

2.9 Toute offre écrite d'enchères est considérée comme liant son auteur pendant 60 jours après la date de la vente aux enchères. DAVID FELDMAN S.A. est donc en droit de facturer la marchandise à l'enchérisseur jusqu'à l'expiration de ce délai. Toute facture reçue par celui-ci est de ce fait valable et doit être payée immédiatement.

2.10 DAVID FELDMAN S.A. a le droit de refuser des enchères, de séparer, joindre ou retirer n'importe quel lot, cela à son entière discrétion. La vente a lieu en français ou en anglais mais les enchères pourront être répétées dans toute autre langue. DAVID FELDMAN S.A. est également autorisée à enchérir pour le compte de vendeurs lorsque des prix de réserve ont été fixés. Si le vendeur fixe des prix de réserve pour certains de ses lots, il sera alors considéré comme acheteur et DAVID FELDMAN S.A. enchérira pour le compte de celui-ci jusqu'à concurrence des prix de réserve fixés. Lorsque le prix fixé par le vendeur n'est pas atteint, il sera passé à la criée du lot suivant.

3 La vente aux enchères

3.1 Représentants et Agents de Vente aux Enchères: L'enchérisseur assume personnellement la responsabilité de son enchère et ne peut pas faire valoir que l'acquisition a été effectuée au nom ou pour le compte de tiers. Le représentant est solidairement responsable de celui qu'il représente pour le respect des obligations.

Cette responsabilité s'étend notamment à la vérification de la qualité des lots achetés ainsi qu'au règlement ultérieur de la facture des lots acquis.

Les enchérisseurs personnellement présents au titre de représentants de tiers doivent le communiquer sans équivoque à la direction de la vente aux enchères au plus tard au moment de l'adjudication.

3.2 Enchères gagnantes : Chaque lot est adjugé au plus offrant pour le compte de son vendeur respectif. En plus du prix de marteau, **il sera facturé à l'acheteur une commission d'achat de 23 %, et la TVA applicable, le cas échéant.**

Une TVA de 8,1 % est due par l'acheteur sur le prix adjugé. Pour les lots marqués d'un rond à côté du numéro du lot, la TVA de 8,1 % est due par l'acheteur sur la commission d'achat susmentionnée.

3.3 La TVA payée peut être remboursée sur présentation de la preuve d'exportation. DAVID FELDMAN S.A. chargera un montant de CHF 75.00 à titre de frais administratif.

Les frais de port seront facturés en sus, séparément.

Les acheteurs doivent se renseigner avant la vente aux enchères sur les démarches administratives pour l'exportation des lots, ainsi que leur légalité. Ils sont seuls responsables dédités démarches après l'adjudication. DAVID FELDMAN S.A. peut s'en occuper moyennant une compensation financière.

3.4 A la tombée du marteau, les profits et risques des lots ainsi adjugés passent à l'enchérisseur dont l'offre a été acceptée. La marchandise ne sera cependant remise à l'acquéreur qu'au moment du règlement intégral du prix d'achat (prix marteau plus les frais et le cas échéant TVA). Ainsi, les risques sont transférés au moment de l'adjudication. La propriété passe à l'acquéreur une fois l'intégralité de la facture payée et le transfert de possession.

3.5 Sur demande de David Feldman SA, les adjudications doivent être reconnues officiellement par signature.

3.6 Paiement: Les adjudicataires sont tenus de payer comptant dans la monnaie de la vente aux enchères le prix d'achat, éventuellement augmenté de la TVA, ainsi que la commission contre remise de la marchandise acquise, et ce dans les 5 jours maximums dès l'adjudication.

Les frais facturés à DAVID FELDMAN S.A. pour les paiements par carte de crédit seront facturés à l'acheteur. Ils varient de 1,5 % à 5 % en fonction des sociétés de carte de crédits.

Les paiements au comptant ne sont admis que jusqu'à CHF 100'000.00.

3.7 Facilités de paiement: selon demande préalable et ce au moins 10 jours avant la vente, DAVID FELDMAN S.A. peut accorder, selon sa libre appréciation, des facilités de paiement aux acheteurs. L'acheteur au bénéfice de telles facilités paiera un montant minimum de 25% du montant total de la facture dès réception dans les 5 jours maximums dès l'adjudication, puis s'acquittera le du solde encore dû en mensualités égales sur une période de 4 mois maximum. Un intérêt mensuel **au taux de 1%** plus les frais encourus sont perçus par et pour DAVID FELDMAN SA, à partir de la date de la vente. L'intérêt est débité chaque mois au compte du client. En Général, **aucun lot n'est livré sans paiement total du montant adjugé, des frais de la commission de vente et le cas échéant de la TVA.**

3.8 Paiement tardif: Le paiement s'effectue dès l'adjudication et au comptant. Ainsi, l'acheteur qui n'a pas versé l'intégralité du prix marteau et de la commission due dans les 5 jours maximum dès l'adjudication est d'ores et déjà en demeure de payer. En cas de demeure de l'acheteur, DAVID FELDMAN S.A. se réserve le droit (1) d'annuler la vente et de disposer du(des) lot(s) concerné(s) et d'agir par toute voie de droit utile contre l'acquéreur afin d'obtenir le paiement d'une indemnité de 23% du prix marteau ainsi que le paiement intégral de la commission due plus un intérêt d'au moins 1% par mois ou (2) d'exécuter le droit de gage du vendeur conformément aux dispositions ci-dessus. De plus, les dépenses encourues par DAVID FELDMAN S.A. en exécution de ses obligations aux fins des présentes seront perçues en sus sur toutes les sommes dues par l'acheteur. Le débiteur défaillant perd en outre tout droit de réclamation.

3.9 Droit de gage: Jusqu'au paiement intégral des montants dû, l'adjudicataire confère à DAVID FELDMAN S.A., agissant pour le compte du Vendeur, un droit de gage sur la totalité des lots vendus mais non livrés. Ce gage garantit le paiement de tout montant dû, tel que prix adjugé, la commission d'achat, éventuellement la TVA, intérêts, les frais éventuels ainsi que les montants déjà dus par le client avant la vente. Après sommation de l'acheteur, DAVID FELDMAN S.A. est autorisée, mais non obligée, à réaliser les gages sans autres formalités et sans préavis si l'acquéreur est en demeure pour le paiement de sa dette ou l'exécution d'une obligation quelconque. DAVID FELDMAN S.A. pourra dans tous les cas réaliser les gages de gré à gré.

A cet effet, elle n'est pas tenue d'observer les formalités prévues par la Loi fédérale sur la poursuite pour dette et faillite ; DAVID FELDMAN S.A. est libre en outre d'introduire ou de continuer une poursuite ordinaire, sans avoir préalablement réalisé les gages et sans renoncer pour autant à ceux-ci.

Dans le cas, où la réalisation du gage ne couvre pas les montants dus par l'acheteur, DAVID FELDMAN S.A. est en droit de poursuivre l'acheteur de la différence.

3.10 Expertise ou contre-expertise dans le cadre uniquement de la vente d'objets philatéliques: DAVID FELDMAN S.A. peut joindre à la description des lots d'objets philatéliques une expertise, dont le rapport fait partie intégrante du descriptif des lots, qui peut être obtenu sur demande. Lorsque l'authenticité d'un lot d'objets philatéliques est contestée l'acheteur est tenu de produire, sous 30 jours, un certificat d'expertise ou de contre-expertise émanant d'un

expert qualifié justifiant sa réclamation. Si l'expert reconnu, assumant toute responsabilité en cas d'erreur, juge que l'objet été falsifié, il peut le marquer en conséquence ; les signes «FAUX» ou «FALSIFIE» ne constituent pas alors une altération du lot d'objets philatéliques.

En présence d'une telle réclamation DAVID FELDMAN S.A. se réserve le droit de demander selon sa libre appréciation une ou plusieurs expertises subséquentes dont les frais seront mis à charge du vendeur dans l'hypothèse où la réclamation de l'acheteur est fondée. Dans le cas contraire l'acheteur supportera tous les frais encourus. Lorsque la réclamation est fondée, le lot d'objets philatéliques est repris et le prix d'adjudication ainsi que la commission sont intégralement remboursés à l'acheteur. Dans le cas d'un paiement retardé dû à une expertise agréée par David Feldman S.A., des intérêts sont payables à 50% du taux habituel pour tout lot d'objets philatéliques dont l'authenticité est confirmée. Si David Feldman S.A. n'est pas d'accord, tous les intérêts seront dus.

Les acheteurs peuvent demander un certificat d'expertise au moment de l'adjudication uniquement. Pour les lots dont le prix d'adjudication est de 5'000 ou plus dans la devise de l'enchère, David Feldman SA facturera des frais de traitement forfaitaires de 100 CHF par lot, plus le coût du certificat. Pour tous les autres lots, DFSA facturera des frais de traitement forfaitaires de CHF 200 par lot, plus le coût du certificat.

3.11 Limites de la garantie: Les lots d'objets décrits comme collections, sélections ou groupes, ceux formés de doubles et d'accumulations, ne peuvent faire l'objet d'une réclamation quelconque. Les réclamations concernant les lots d'objets décrits comme série ou groupes de séries contenant plus d'un timbre, ne sont prises en considération dans les limites de l'article ci-dessus que si elles portent sur plus d'un tiers de la valeur totale d'acquisition du lot. Les lots d'objets qui ont été examinés par l'acheteur ou son agent, ainsi que les lots d'objets philatéliques qui sont décrits comme ayant des défauts ne peuvent faire l'objet d'aucune réclamation par rapport à ceux-ci. Tout lot illustré d'objets ne peut faire l'objet d'aucune réclamation au sujet de la perforation, du centrage, des marges ou tout autre élément visible dans l'illustration.

3.12 Tous les lots adjugés doivent être retirés après la vente aux enchères par les acheteurs et ce dans les 5 jours, à la charge et au coût des acheteurs. Aucun lot ne peut être retirés pendant le déroulement de la vente aux enchères. Les lots non retirés seront stockés à la charge des acheteurs pendant un maximum de 6 mois. Passés ce délai, les lots deviendront la propriété de DAVID FELDMAN S.A., sans pour autant éliminer les obligations financières des acheteurs selon les présentes.

Sur demande, DAVID FELDMAN S.A. directement, ou via un tiers, peut s'occuper du transport ou de livraison moyennant le paiement de ce service, à l'avance. Sauf accord préalable, DAVID FELDMAN S.A., ainsi que le tiers, n'en aucun cas responsable de quoi que ce soit en cas de dommage ou perte des lots pendant le transport ou la livraison.
