Sergio Sismondo

Philatelic Expert
Syracuse, New York & Ottawa, Canada

Syracuse, New York, 2007.07.27.

Warning - please read carefully.

MOROCCO, BRITISH POSTAL AGENCIES, 1898.

I have examined the postage stamp issued by the British Postal Agencies in Morocco on June 4th of 1898, Gibraltar **"Queen Victoria"** 2 Pesetas black and carmine, overprinted in black in two lines **"Morocco Agencies"**, and showing the variety ***"Inverted 'V' for 'A'"***, Scott Classics Specialized Catalogue #8a; Stanley Gibbons Catalogue #8a, used, with small part of a circular datestamp cancellation, a colour reproduction of which is below, magnified to 125% of true size, and I am of the opinion that:

The basic stamp is genuine**, but bears a forged overprint.**

American Philatelic Society

Expert Committee Report

Members of the American Philatelic Expertizing Service have examined the item submitted and it is their opinion that it is:

not a legitimately issued imperf stamp, but from one of the sheets stolen from the printers in 1970.
