"MISCELLANEOUS POSTAL MARKINGS - MISSENT LABELS"

Letters between the I870's and the early I900's which had been either missent or delayed in transit are sometimes to be found with small yellowish labels affixed requiring either the Postmaster to recover the cover or the addressee to hand the cover to the postman.

This cover shows the label requesting the addressee to 'Return cover to postman for transmission to Inspector General R.M.S. in India'

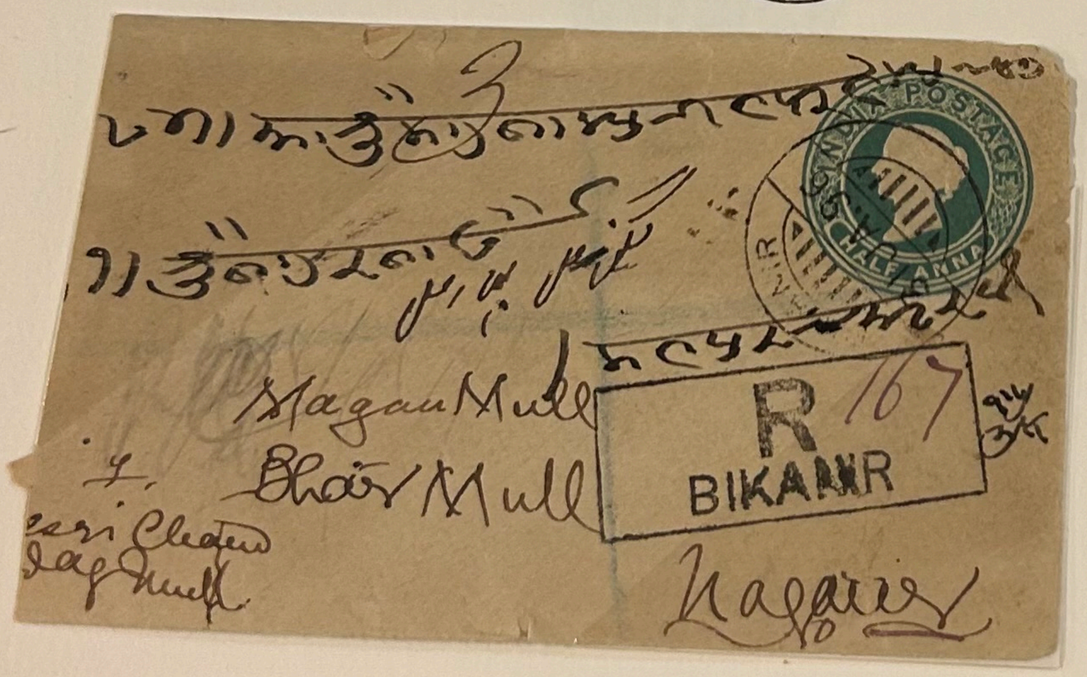
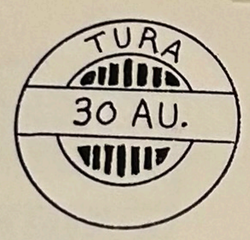
CANCELLATIONS

DATE: 1898, 1896
ROUTE: Tura to U.S.A., Bikanir to Nagaur
STAMP: 1 on 1½ anna blue card, ½ anna green (x4) on ½ anna green env.
TYPE: double circle with date-band

For some reason, perhaps conformity, the squared-circle gradually was replaced with a double-ring circle. The original type had a single-spaced band across the center for the date. It was generally in use from 1896 to 1910, although examples appear as late as 1936.





CANCELLATIONS

DATE: 1897
ROUTE: Calcutta to Mandawa
STAMP: ½ anna green envelope of 1883
TYPE: double-circle with time (stated as a period) in lower circle

This rather curious type showed the time as a period -- "6.30 P.M. TO 7.30 P.M." -- in the lower circle rather than in the center band. This is the only example I have seen.
