(See over)

BRAZIL 1866 cover without side flaps sent to Itabapoana with, on the reverse, two vertical pairs 1854 10r blue both good to large margins plus 1866 Dom Pedro 2 x 80r all tied by circular mute 'X' cancels. Rio de Janeiro cds on the face (3 Dec)

I have examined the above item and, in my opinion, it is genuine in all aspects

Notes: Extensively cleaned and with cover fold splits at the top and bottom reinforced on the reverse side by tape
