Opinion only:

9th of July 1988, Bulgaria, special postal stationery of SU, showing the SU-Bulgarian Space flight "SHIPKA-88", with autographs of the Bulgarian cosmonaut Alexander Alexandrov and the SU-cosmonauts Victor Savinich and Anatoliy Solovyov, with two postmarks (in Bulgarian and in Russian) of the Space Post Office of flight!!! After the failure of the 1979 flight the second flight with bulgarian cosmonaut was completely authorized.

IT IS ONE UNIQUE SPACE COVER. Only this ONE cover is known!!
