Hi there

Greetings from S. Lebanon.

I hope this card finds you in good running health. I

trained well for the first 2 months out here but then it got too hot. I'm just trying to get back at it now. I suppose marathon fever has hit Dublin again. Donagh tells me he may try it. The trip out here has been very good - only 6 weeks left. I'm saving now to be able to afford to live at home.
