### **TIBET, 1912-1950.**

I have examined the sheet of twelve postage stamps of Tibet, issued in 1912-1950, "Lion" 1/6 Trangka green, imperforated, on thin native paper, Scott #1, used, with violet wavy lines cancellation, a reproduction of which, in true size, is below, and am of the opinion that:

The sheet of twelve stamps is **genuine, with telegraphic cancellation,**

**N20 #6 1 Sang Grey-Green**  
 tied to piece by perfect **LHASA**  
**Type IV** (Hel. T10) cancel. *(This*  
*is the only example of this*  
*cancel tying a 1 Sang that I have*  
*seen!)* \$120 (US)
