4 TRANGKA, SETTING Ib

Ref: T288

Price \$75.-

A partial rebuilt sheet of the 4 trangka, Deep Olive Green (W-203). The Olive Green and this Deep Olive Green are thought to be the first printings of this setting (Circa 1938-39). Very few sheets of Setting Ib exist ... and even plateable singles or small multiples are very rare. Setting Ib plating characteristics are Cliché 1 - the dot in the lower left circle is still quite small. Cliché 2 - right panel, upper scroll - the flaw has not yet developed. Cliché 5 - eye of right hook under lion not yet filled. Cliché 6 - there is no flaw on the "B" of "Tibet". Cliché 12 - the flaw on the Lion's mouth has not yet developed.

Fortunately the printings from this setting can be recognised by colour alone. The shades are olive (W-202) to deep olive-green (W-203) and sage-green (W-204)

SETTING Ib

Price \$475.-

Ref: T291

Price \$90.-

Cliché 8. Recognisable by shade alone as being from Setting Ib, that this is from an early printing is confirmed by the absence of the white flaw on the back of the "B" of "TIBET" which occurs in later states. Note this position also has the "sunburst" flaw

Sage-green shade

Ref: T303
Price \$150.-

An interesting piece from Setting Id. The blank paper where Cliché 4 should be has been removed and a stamp from cliché 2 put in its place (Cliché 3, 2/7 & 8). Cancelled LHASA Type VIII. It is not possible to tell if this was done by the post office, but from its general appearance it is probably from a CTO sheet. A very unusual piece. Ex Bates

SETTING II

Soon after the 4 Tr. stamp was introduced in 1933 one of the stamps was lost and the value was printed in sheets of 11 stamps. In 1950 Setting II appeared .. again with 12 stamps.. the "lost" stamp being replaced with Cliché 13 which is slightly larger than the original stamps. Besides being slightly larger the most noticeable difference is the shape of the right hook under the lion. In Setting II the position of the stamps has been changed and this new cliché appeared in the bottom right corner of the sheet.
