The title is enclosed in a decorative gold frame with intricate scrollwork and flourishes extending downwards.

The image shows the front cover of an antique book. The cover is bound in a rich, dark red leather with a fine, pebbled texture. Embossed into the leather are several large, circular medallions, each containing a delicate, symmetrical floral or scrollwork design. The central focus of the cover is the title, 'Arms and Crests', which is written in a highly decorative, gold-tooled Gothic script. The letters are thick and feature intricate internal patterns, giving them a three-dimensional appearance. The gold leaf used for the tooling shows some signs of age and wear, particularly at the edges and in the recessed areas of the letters. The overall aesthetic is one of classic elegance and historical craftsmanship.
